In which building /department do you work?

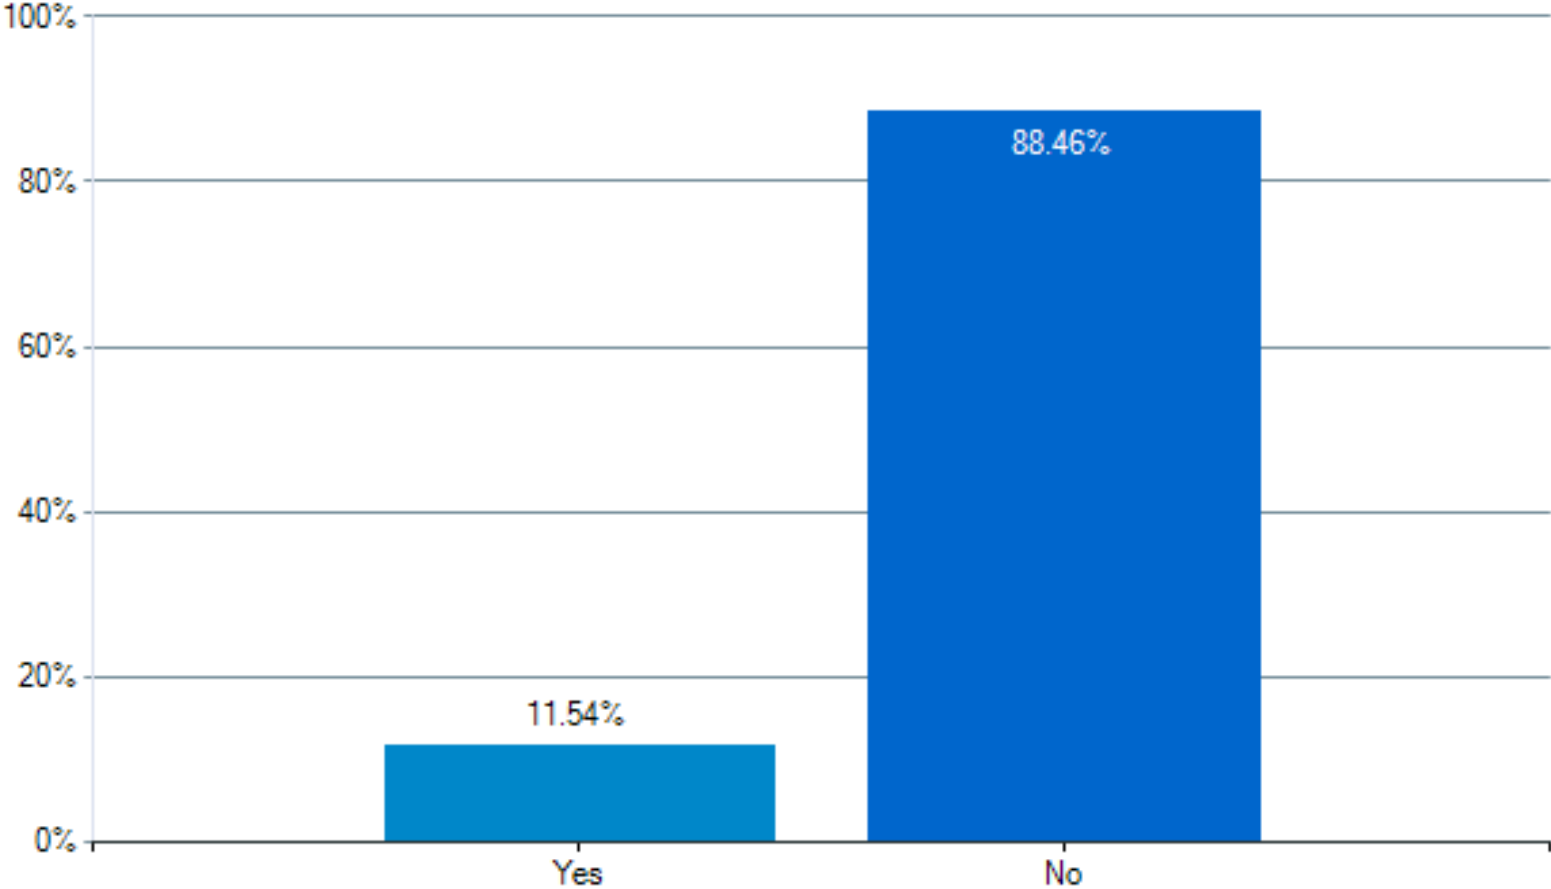

The School Board is a body of 7 elected officials who represent the community while governing the school district. The School Board sets educational goals, hires and evaluates the superintendent, adopts policy related to employment and school operation, adopts the school district budget, and ensures school district accountability to the public.

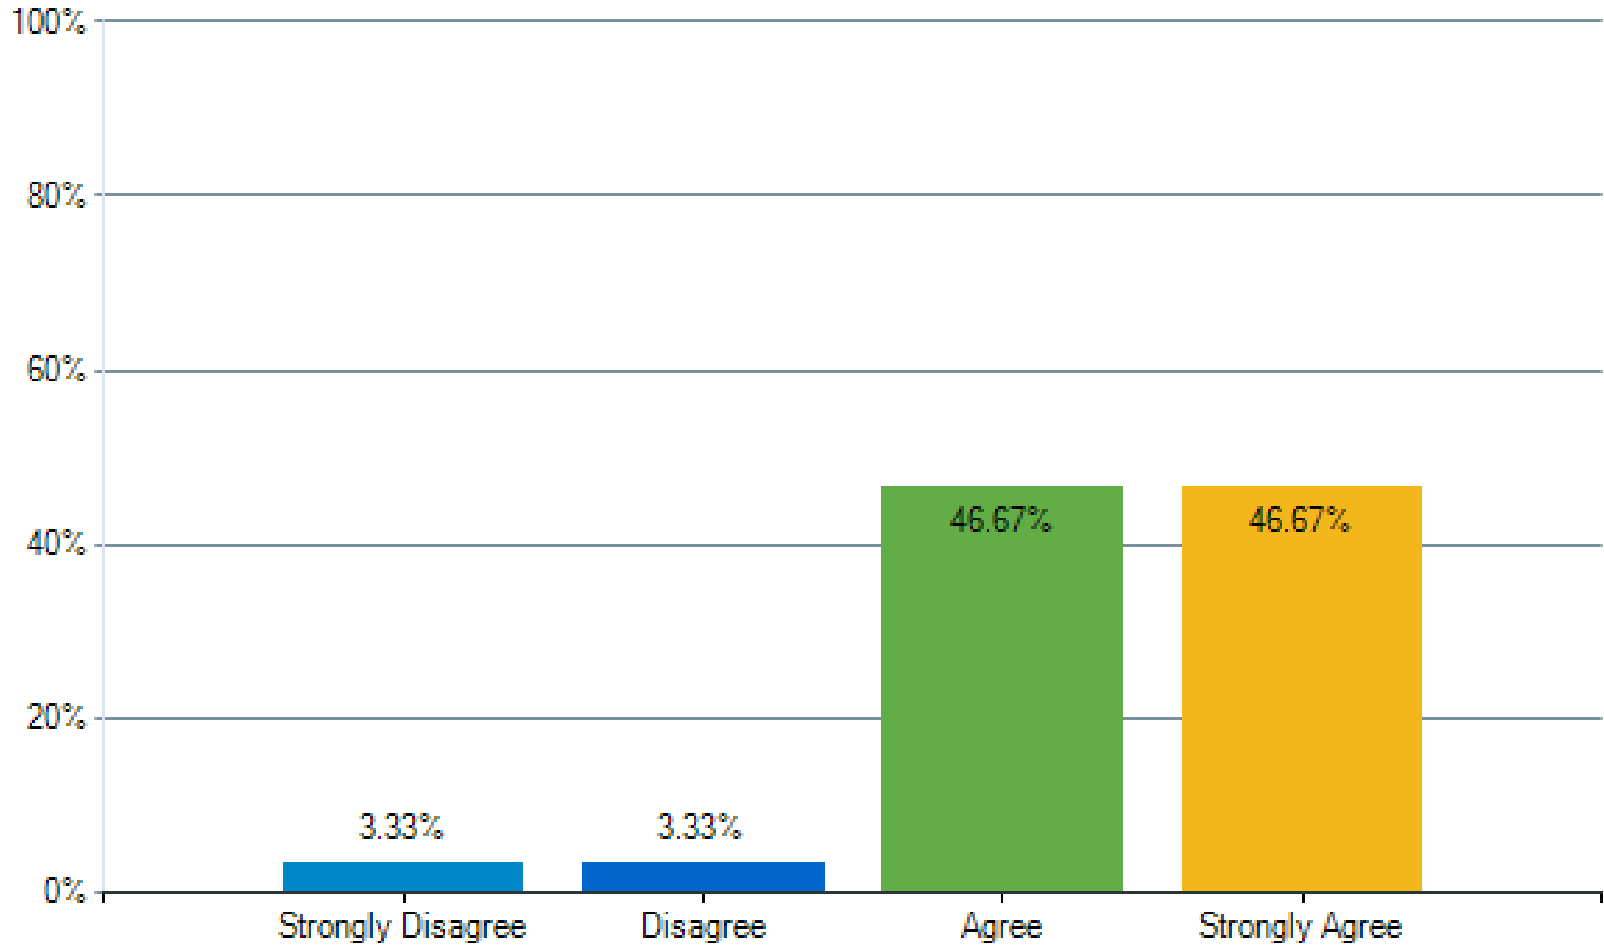

How familiar are you with the role and responsibilities of the School Board?

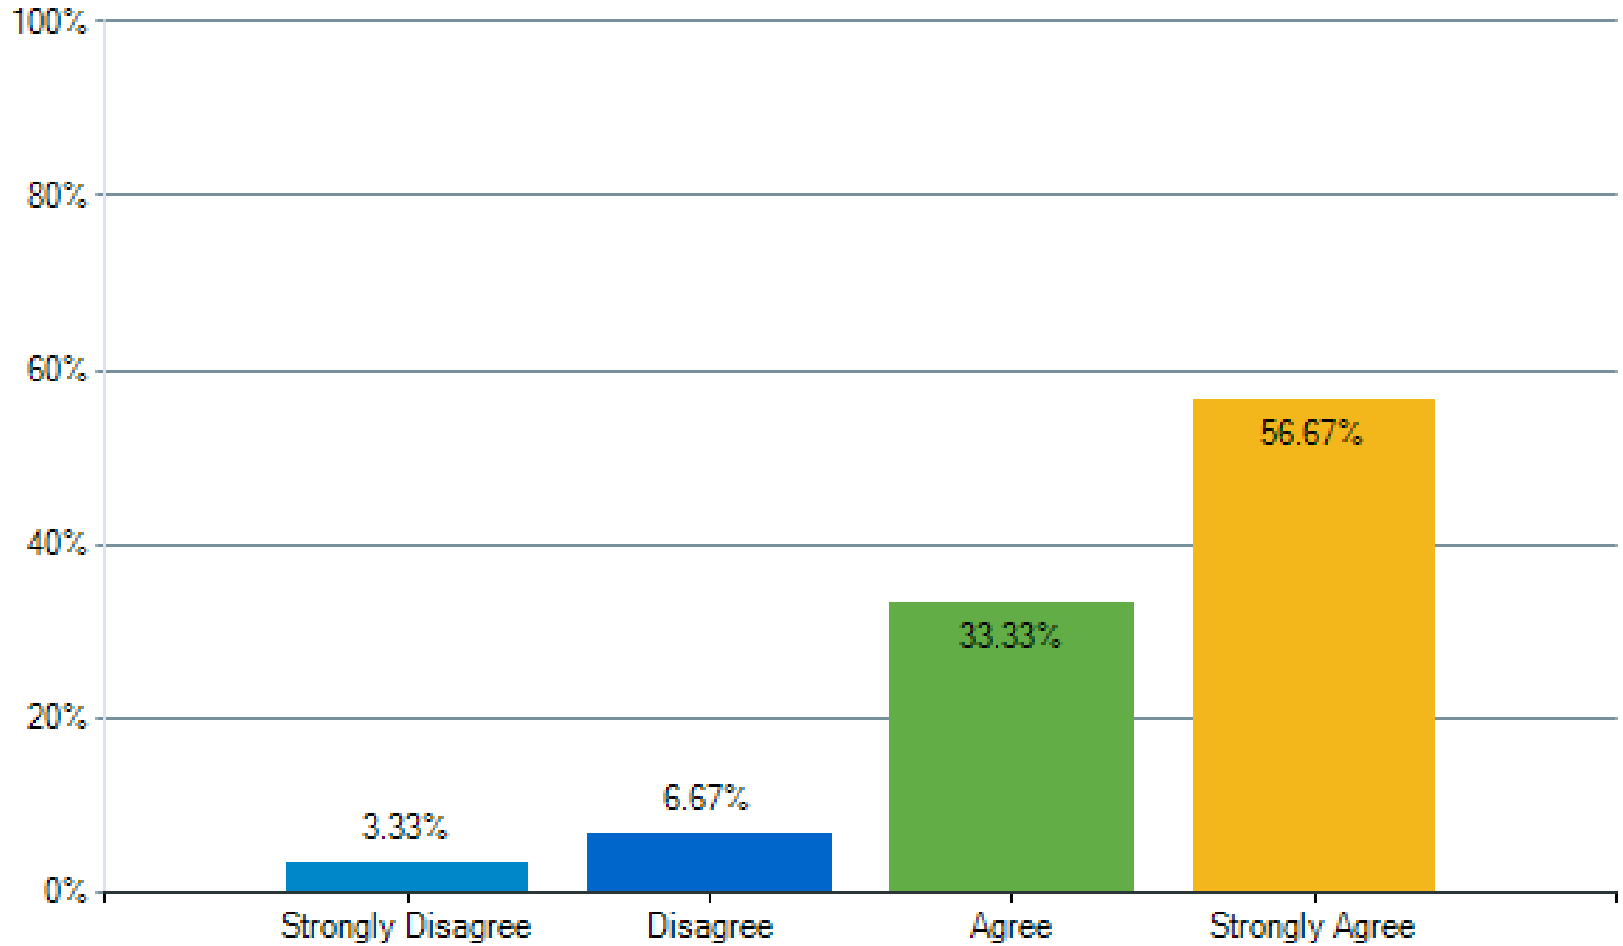

Within the past school year, have you needed to speak with one or more School Board Members?

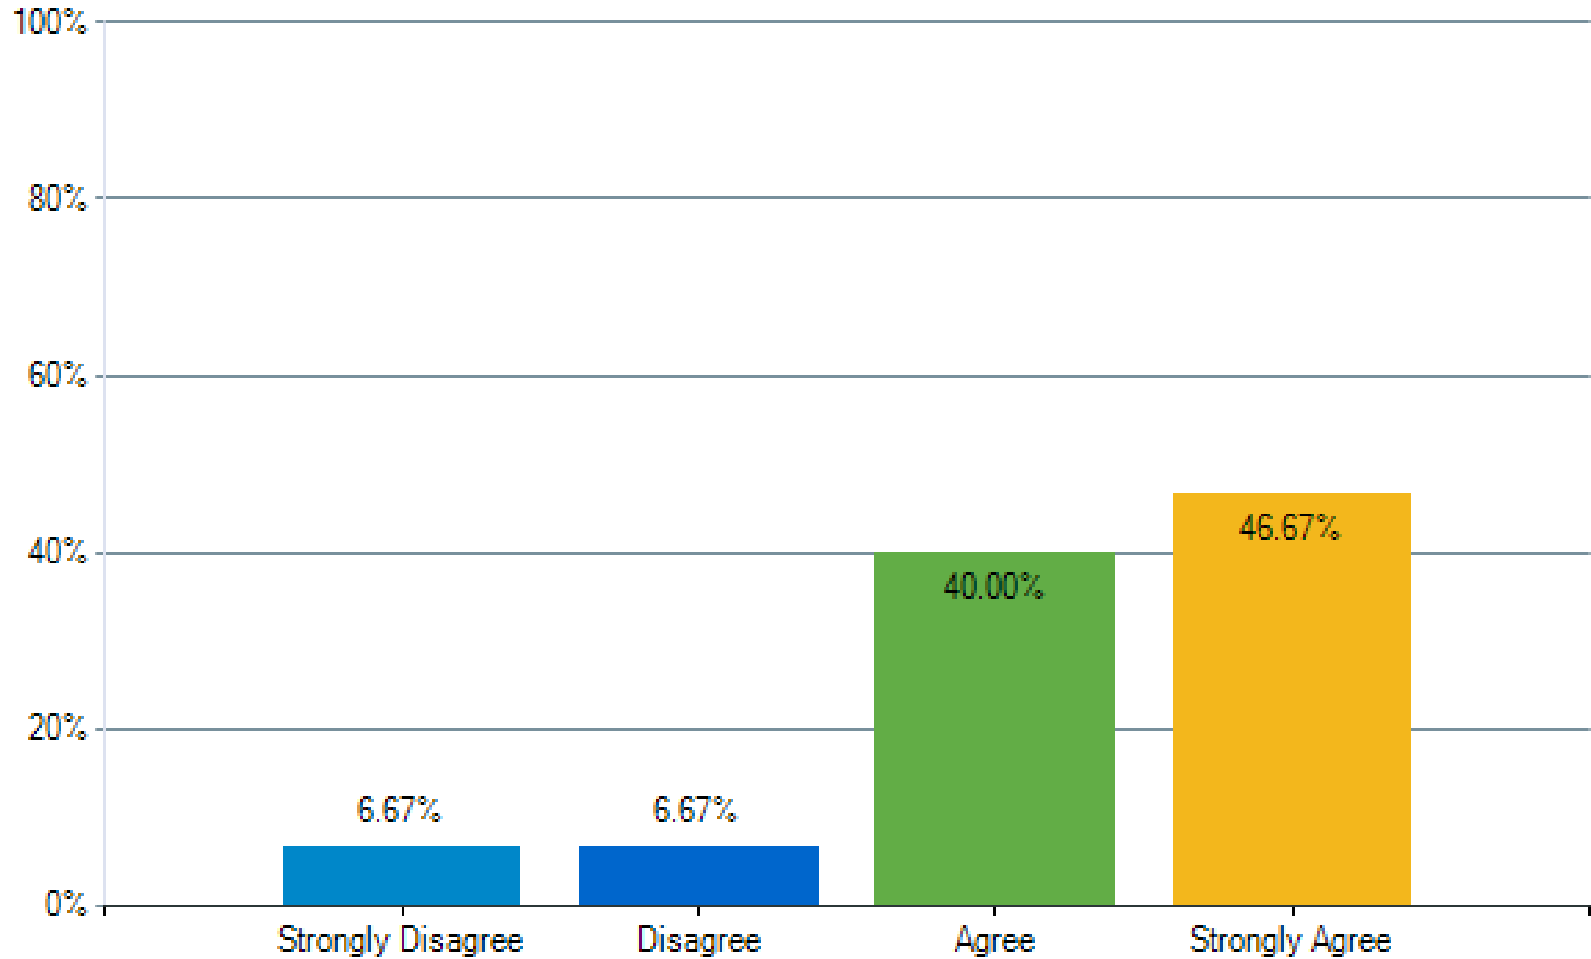

: the School Board Member(s) was/were available to talk to me.

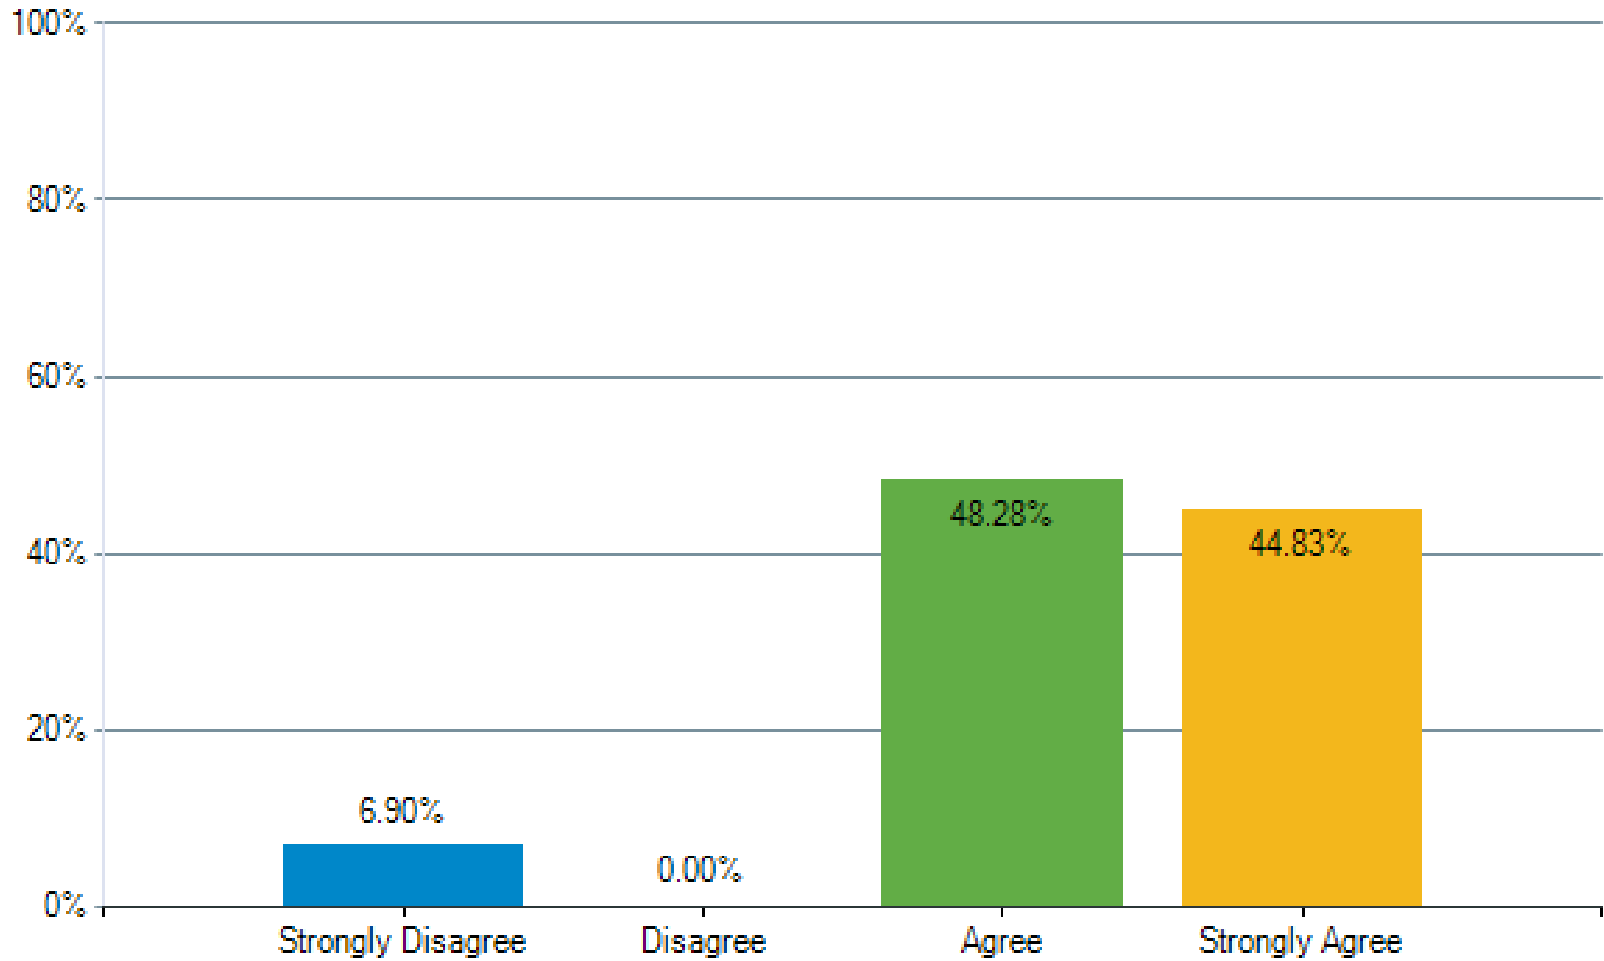

: the School Board Member(s) was/were courteous and listened to my concerns.

: the School Board Member(s) responded to my concerns in a professional manner, whether or not he or she agreed with me.

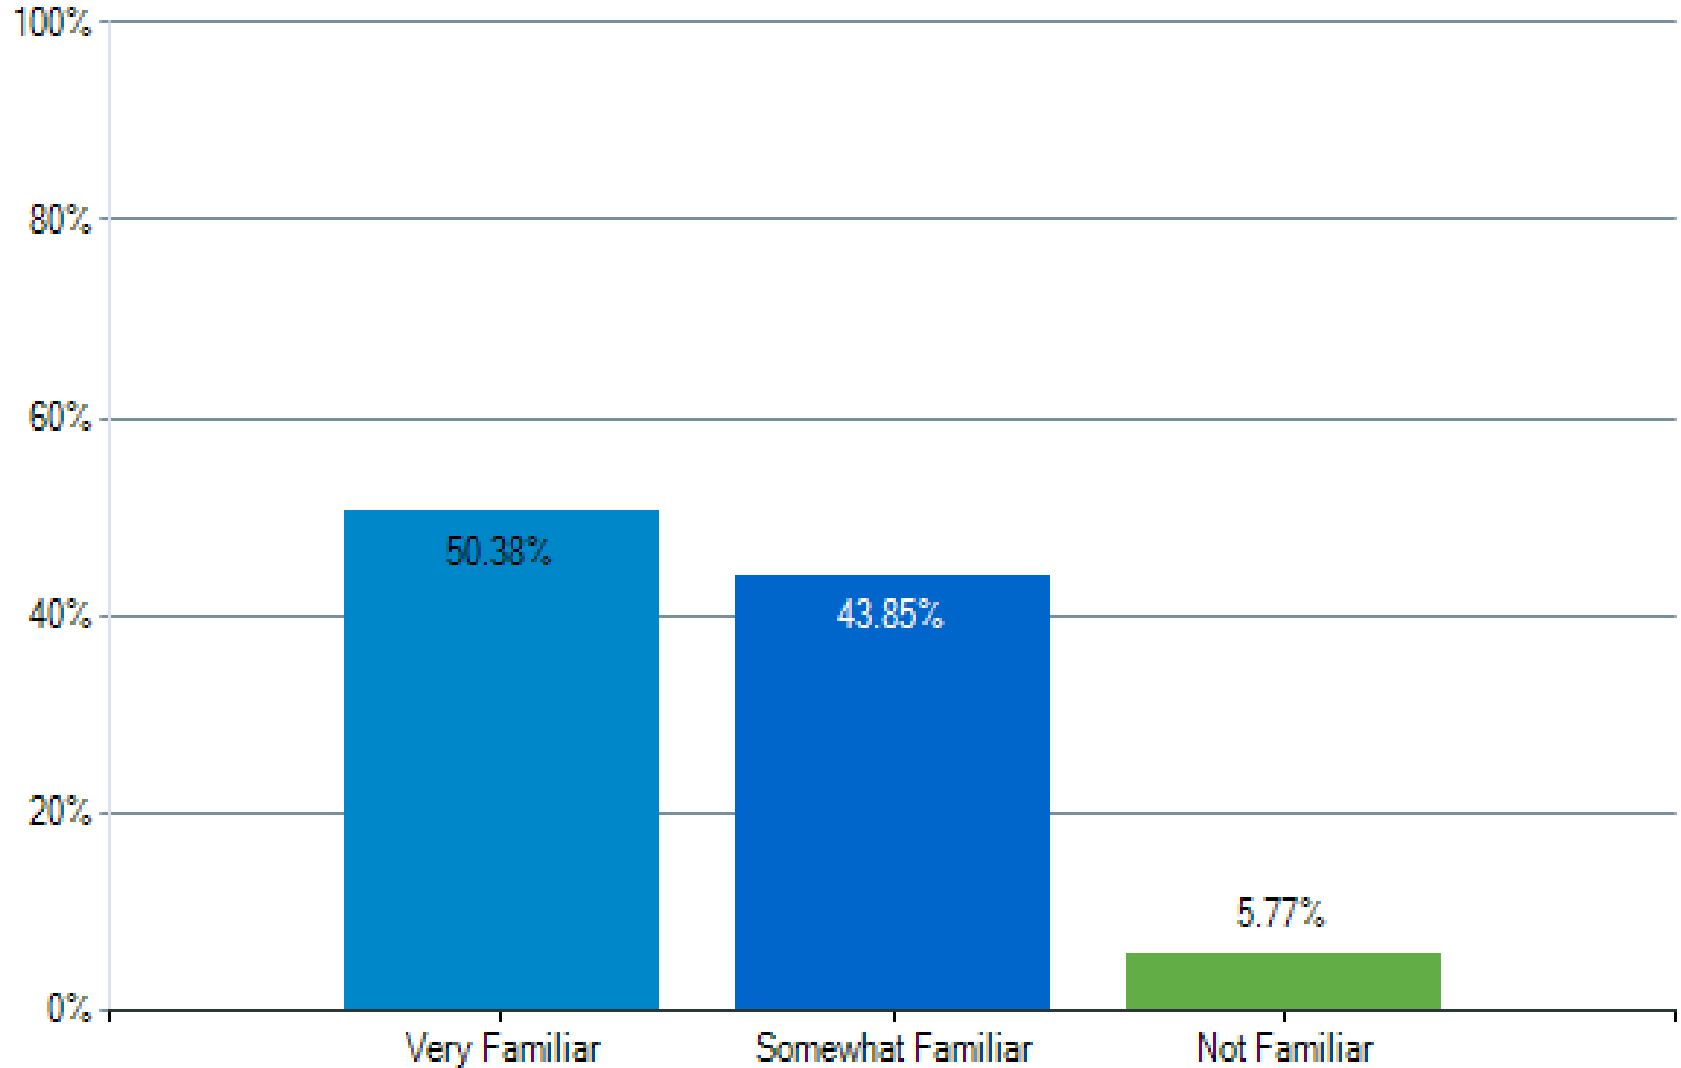

: I felt welcome to attend a school board meeting to address my concern.

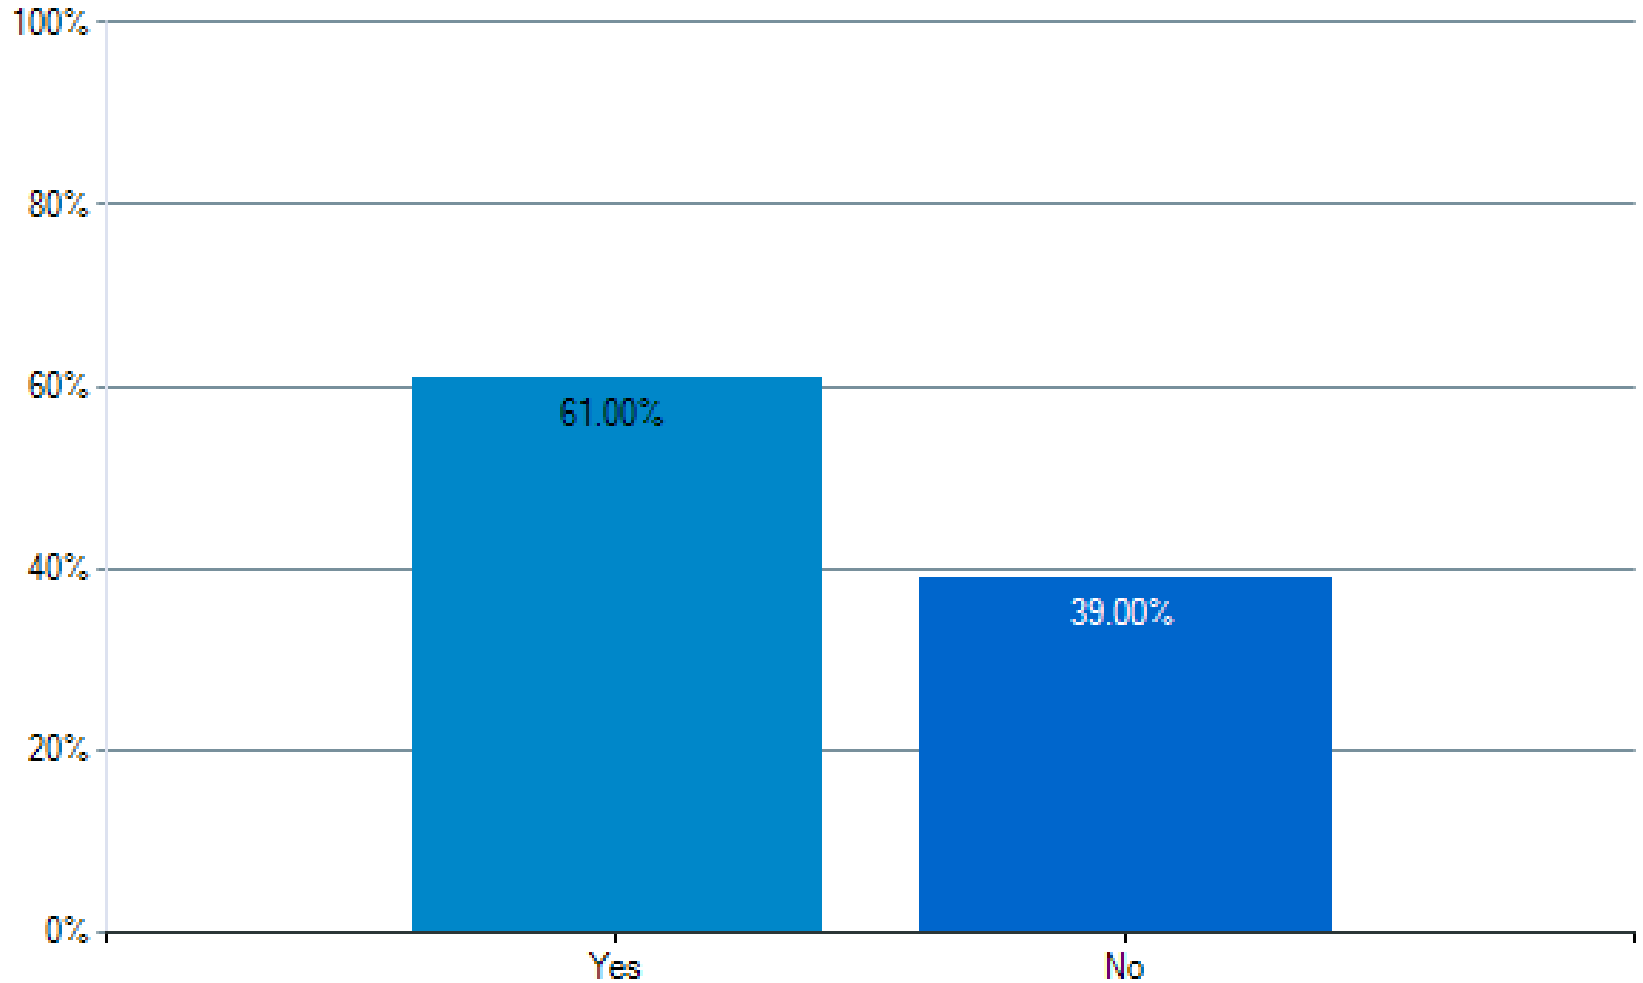

Central Office supports all 12 schools in areas such as hiring principals and teachers, evaluating curriculum materials, food services, school buses, testing, building repairs, budget, and keeping parents and community informed of key issues.

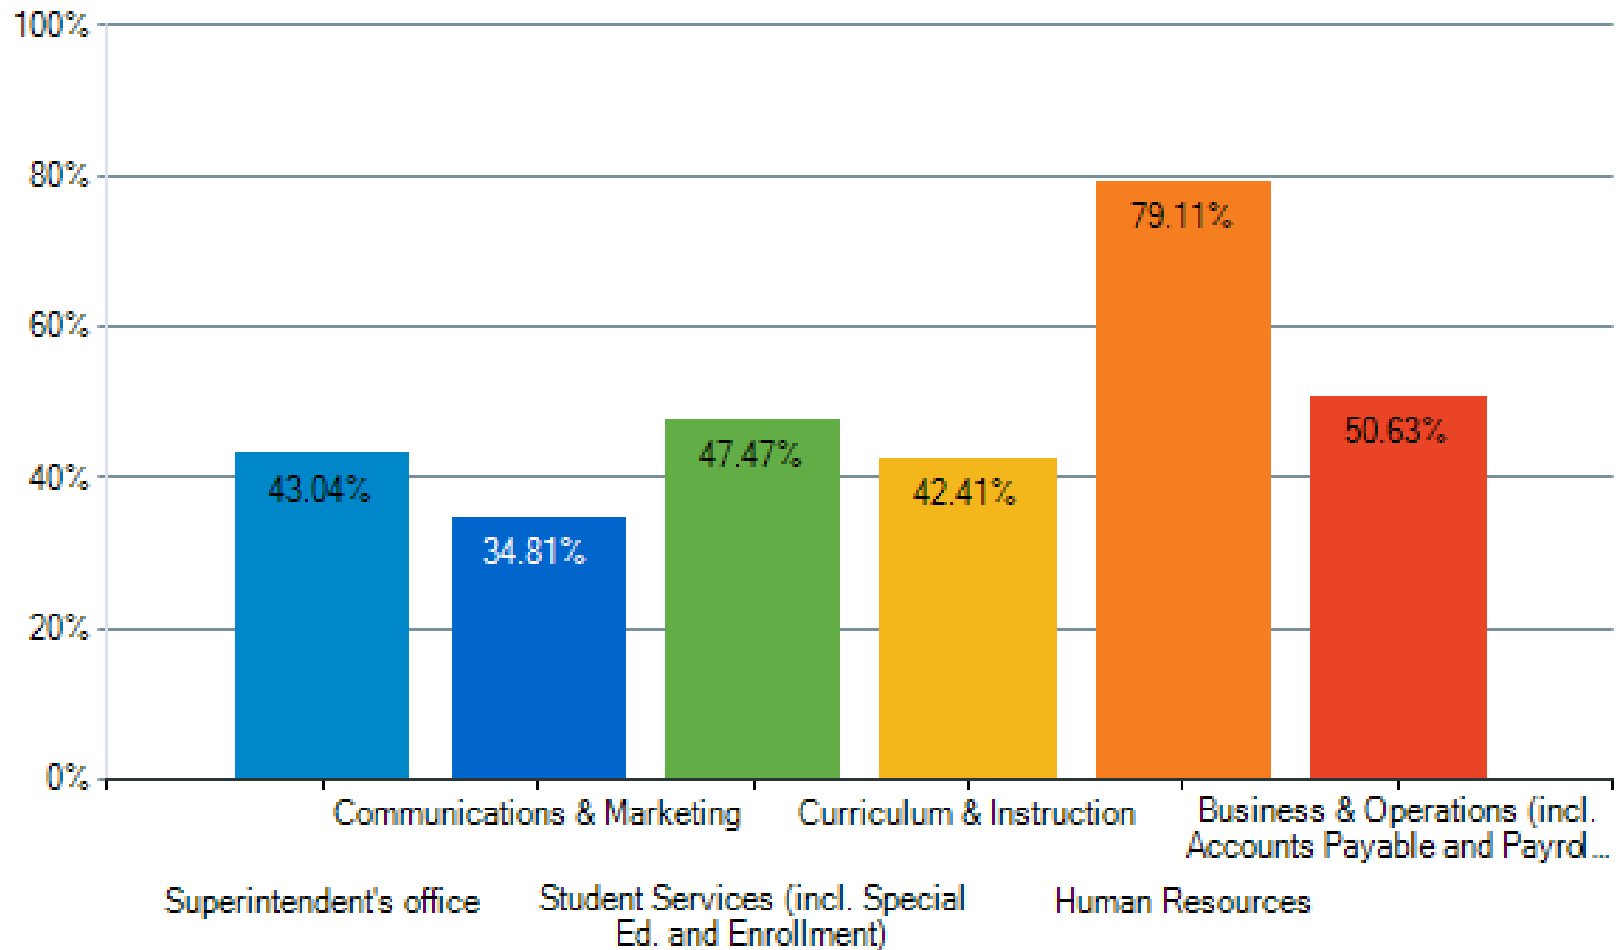

How familiar are you with how Central Office supports all schools in our district?

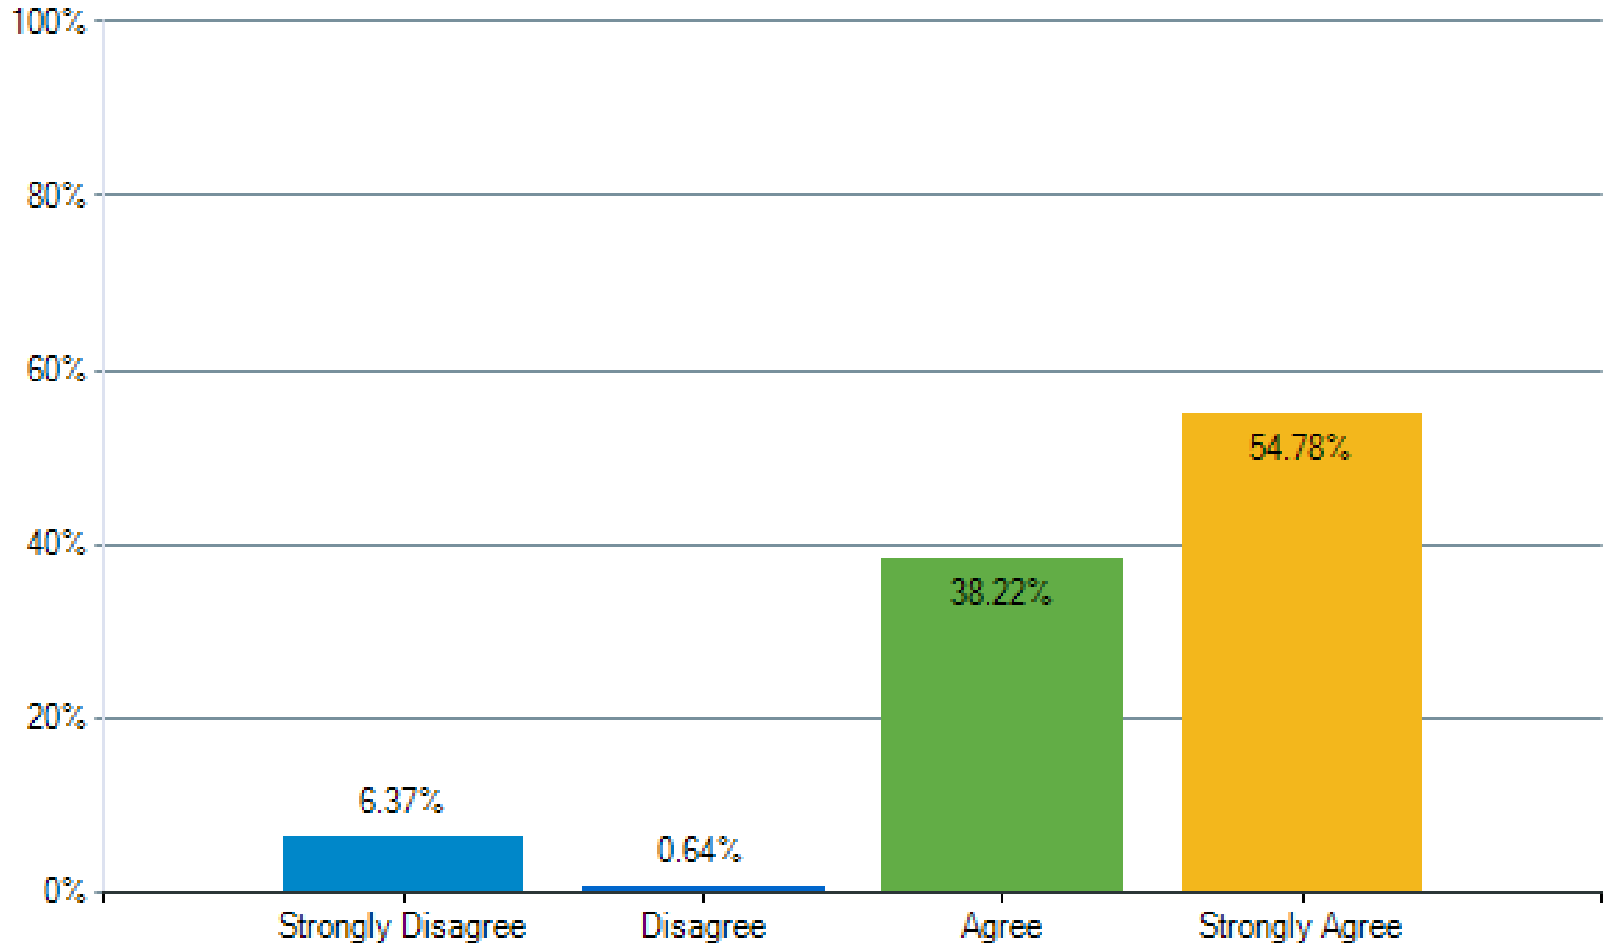

Within the past year, have you needed to speak to the Superintendent or a member of district staff at Central Office?

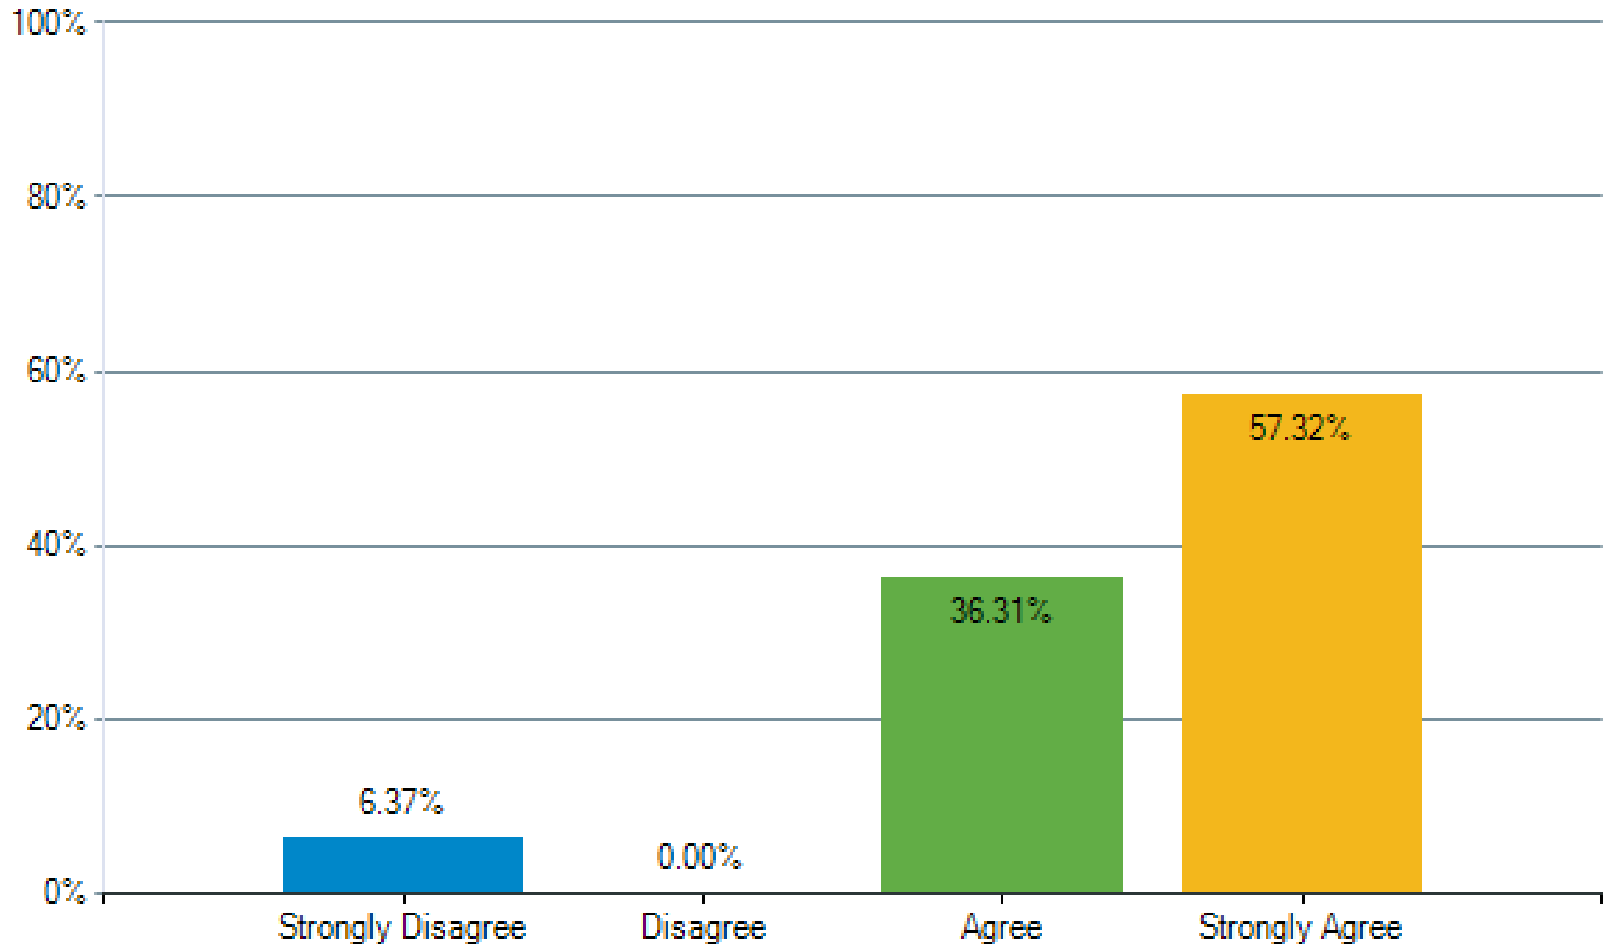

Please check the department(s) you needed to contact:

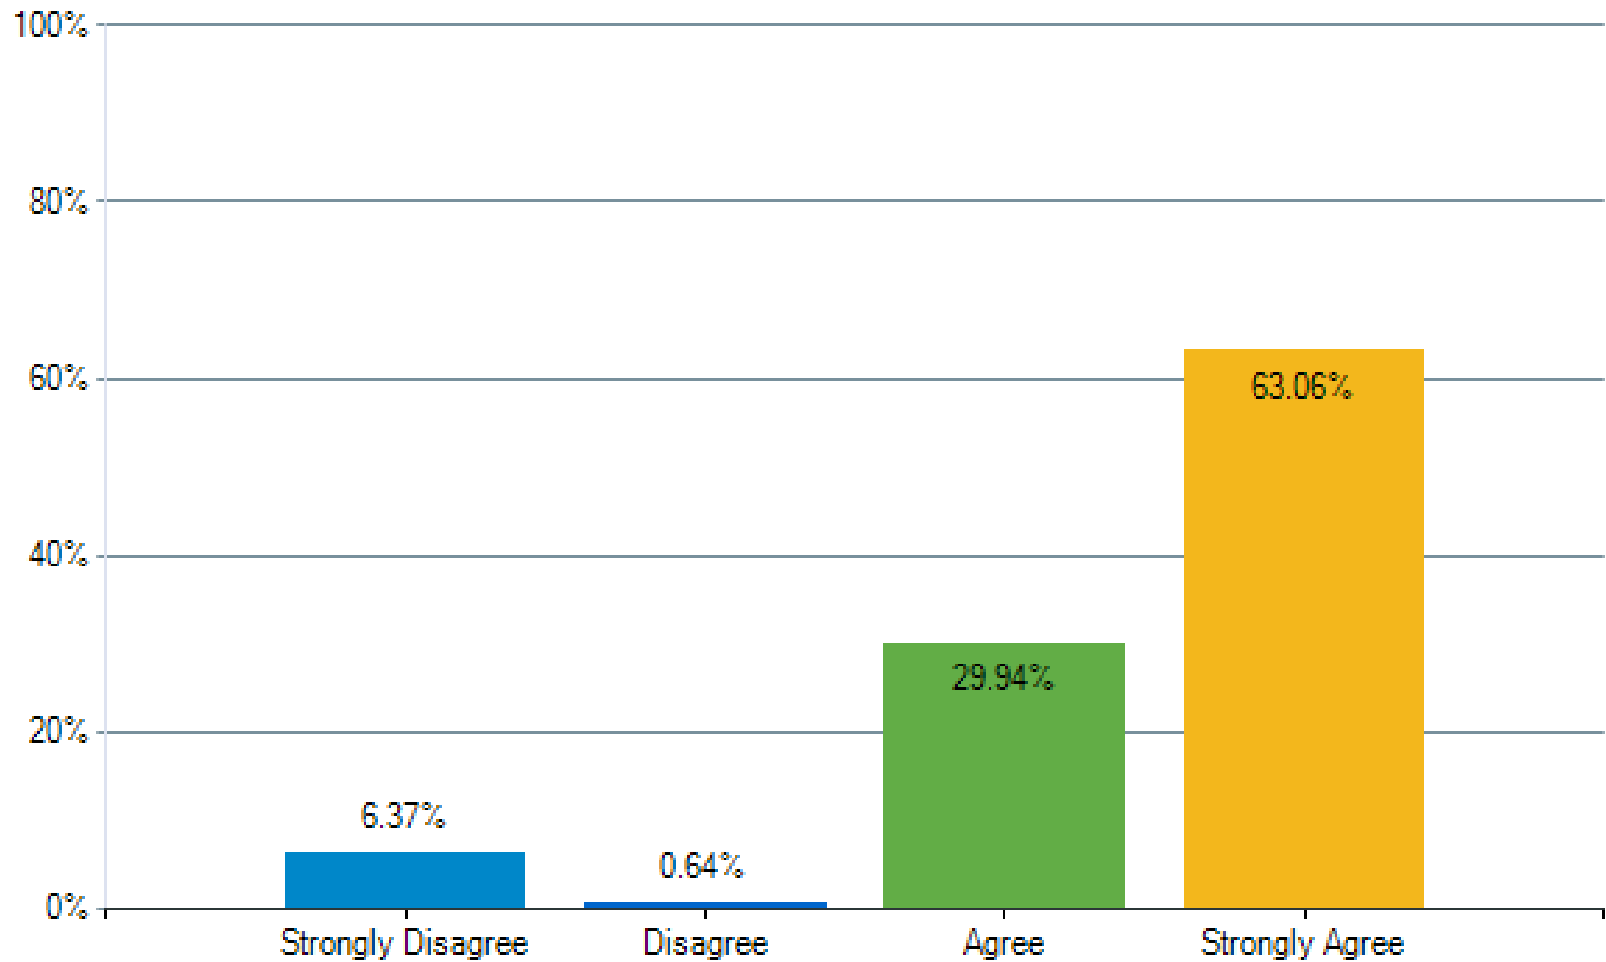

: I easily found out who to contact.

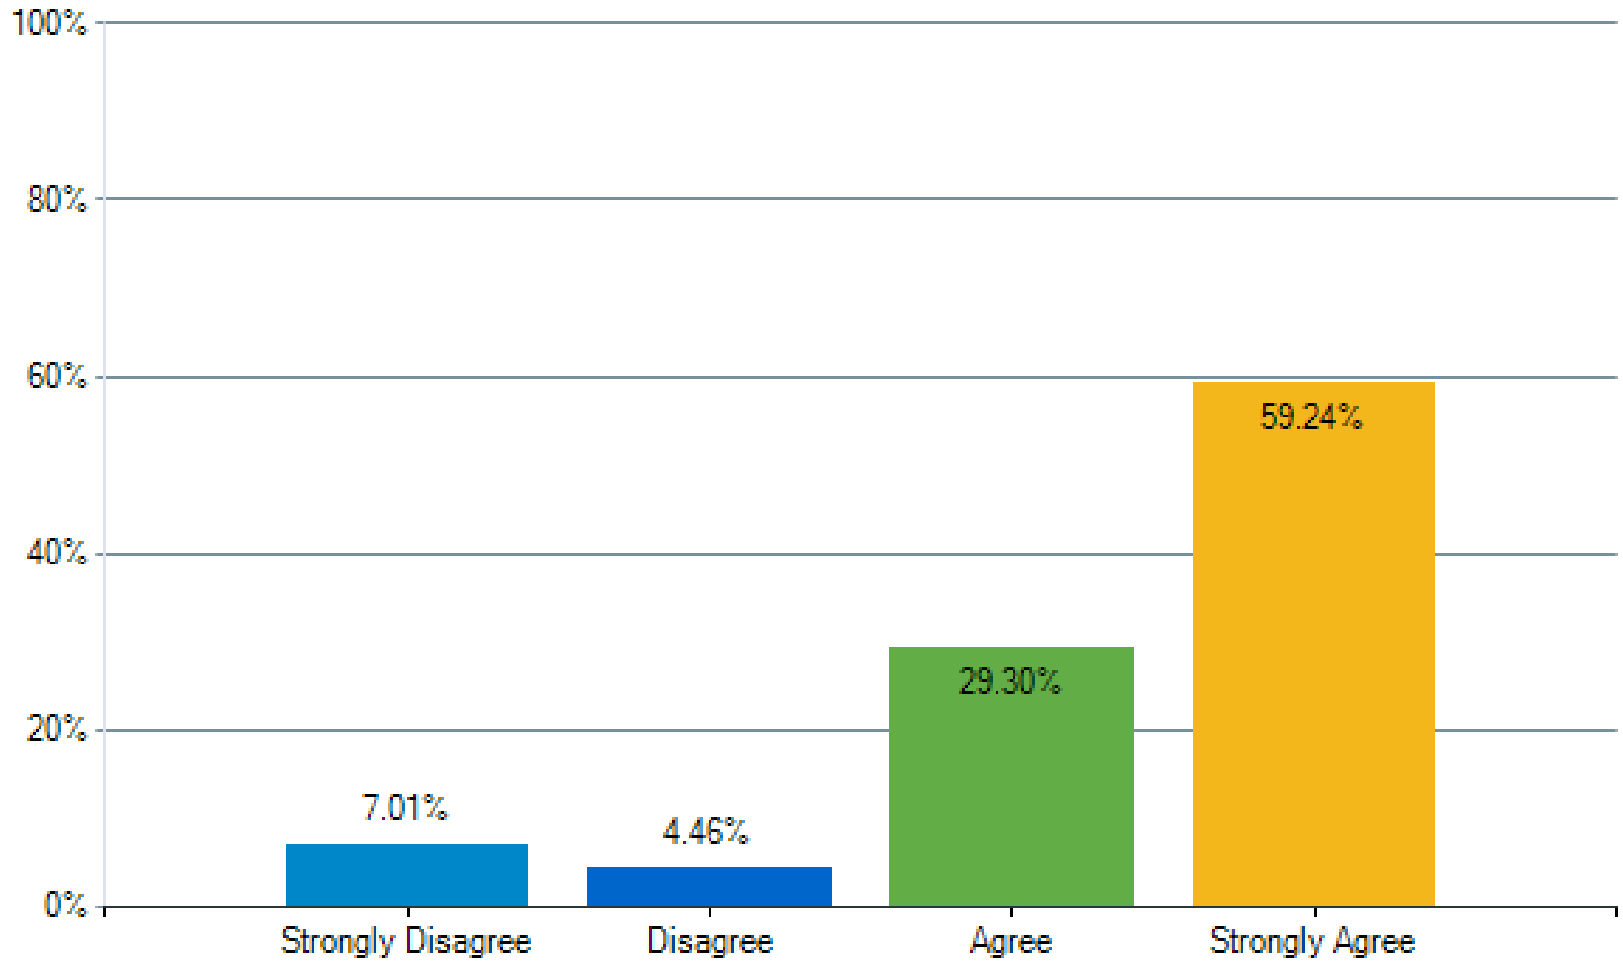

: I made contact with the right Central Office member.

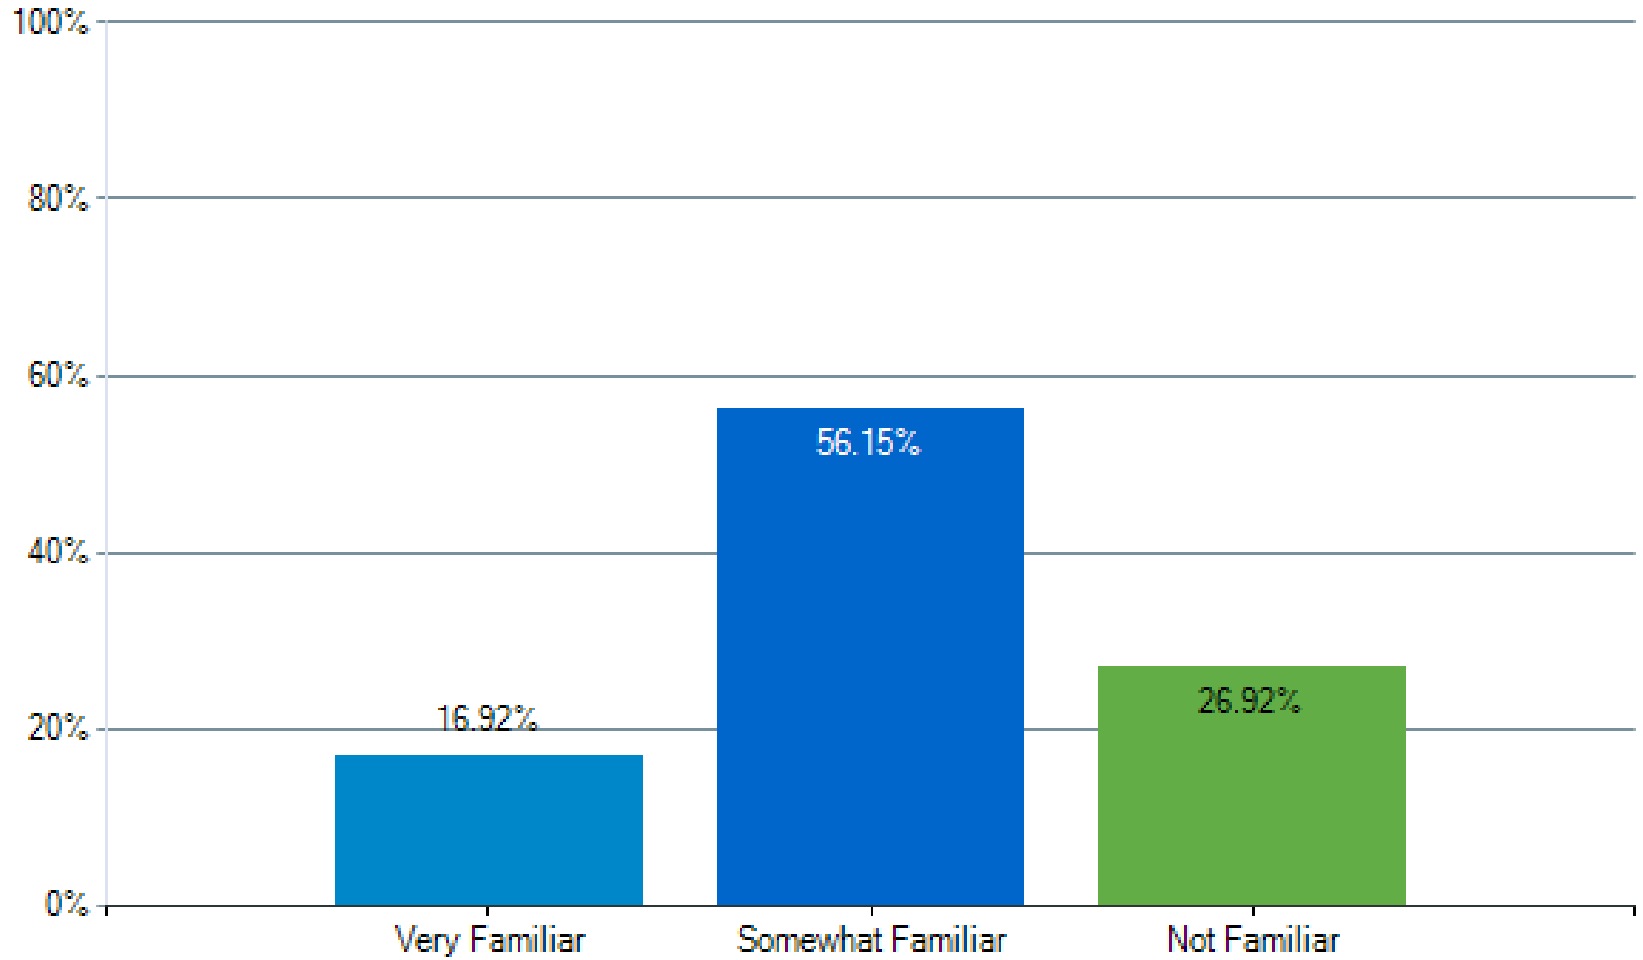

: The Central Office member was polite and listened to you.

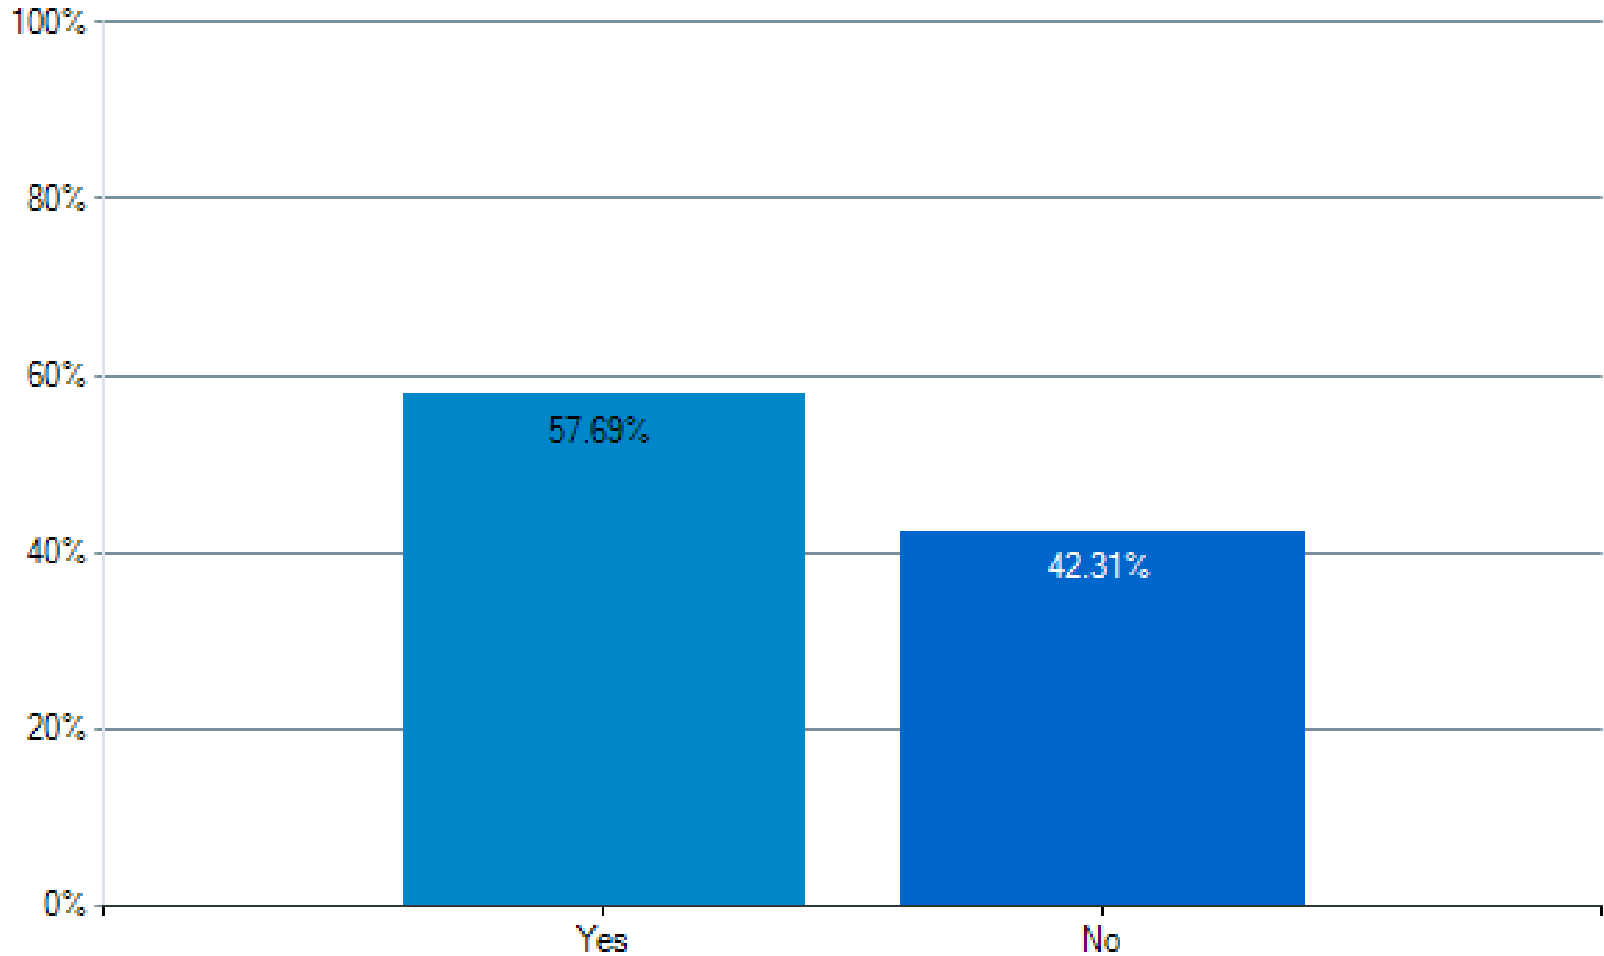

: My ideas were considered and addressed in a professional manner.

How familiar are you with the school district's budget constraints?

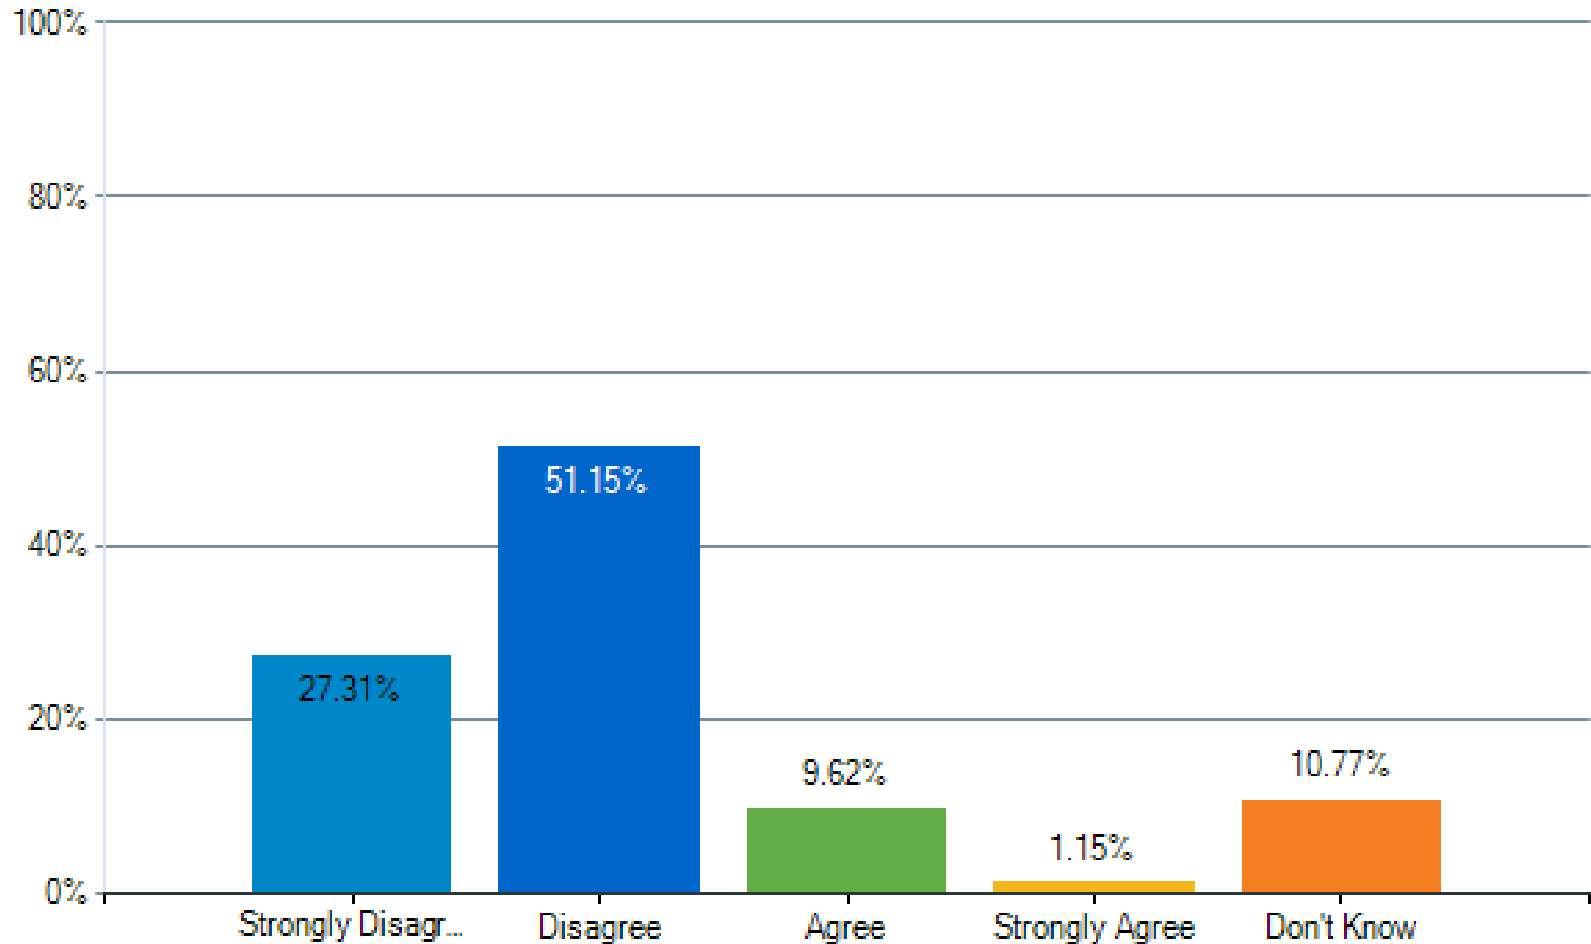

Are you aware that Oxford Community Schools receives the lowest allowable State Foundation Grant funding (\$7631 per pupil), while some school districts receive as much as \$12,016?

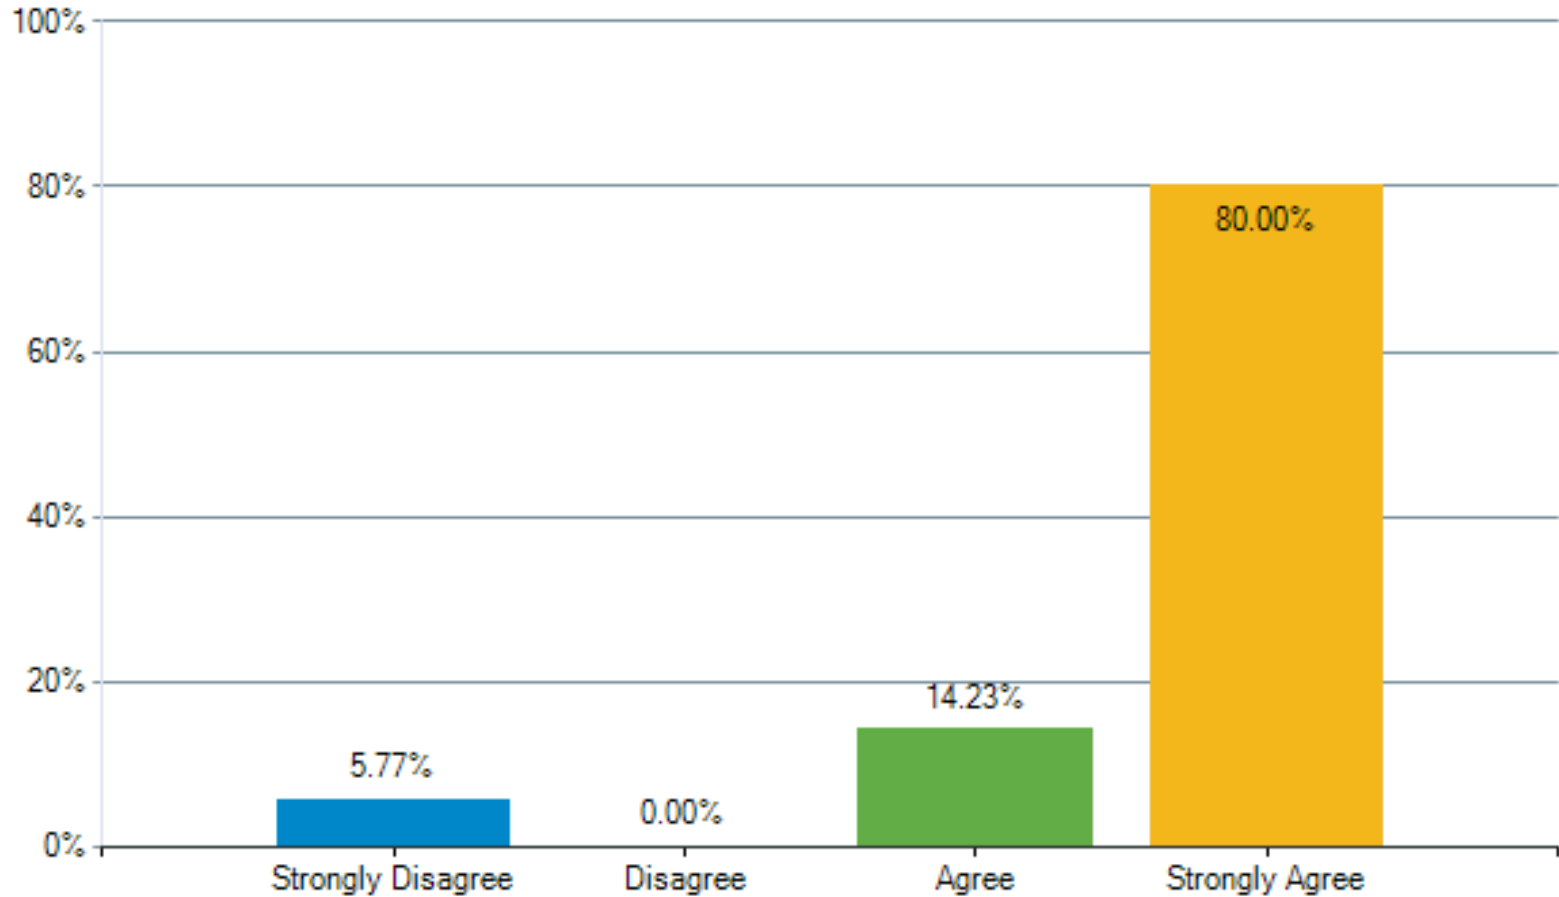

Please specify your level of agreement with this statement:

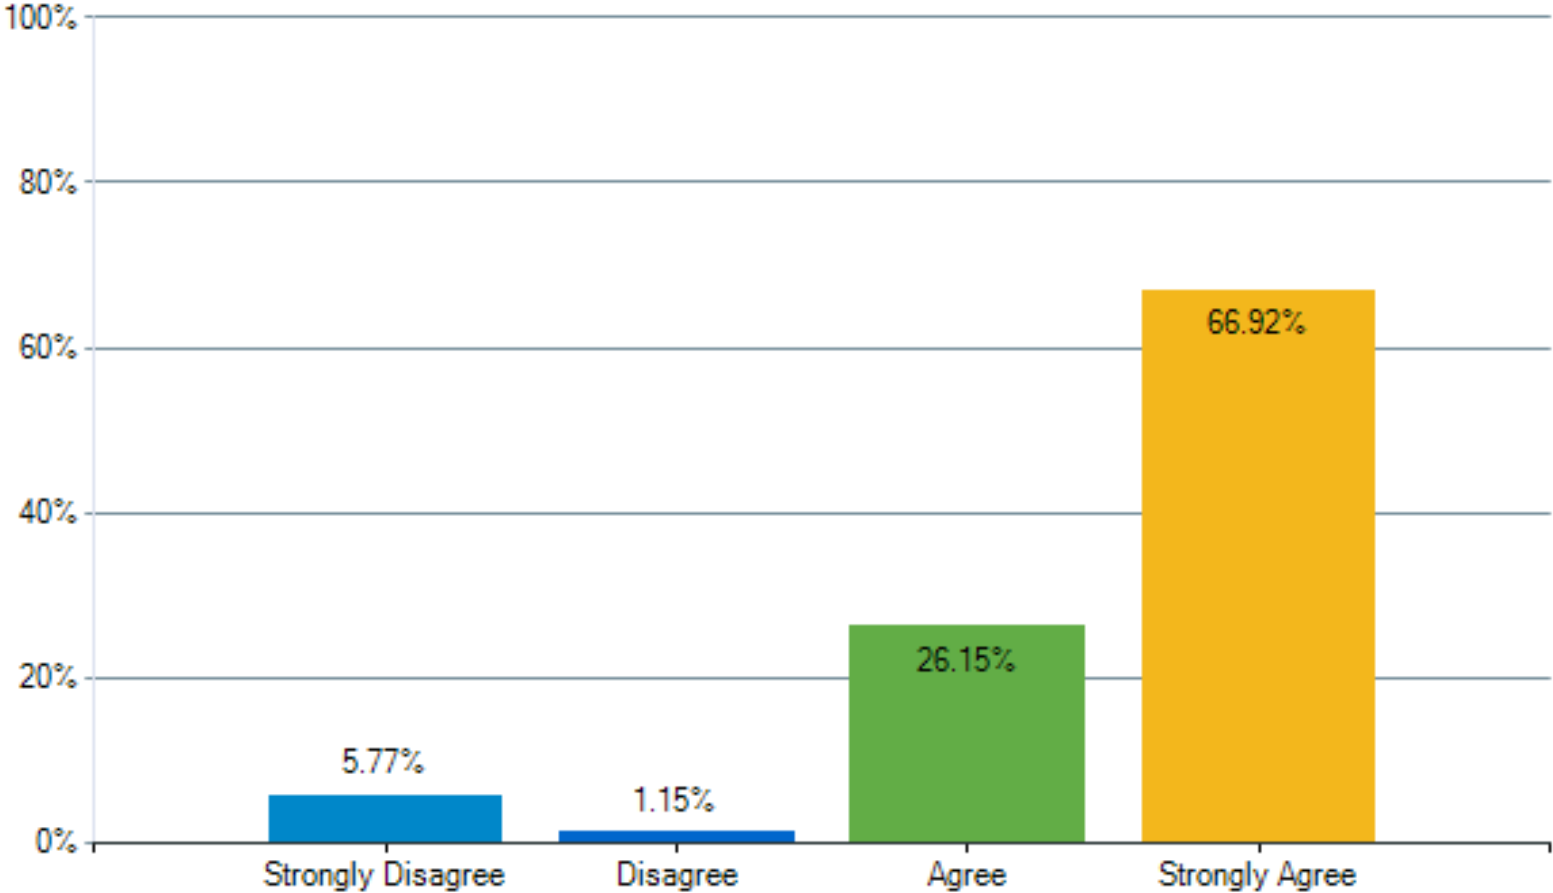

The current funding level is adequate to meet this community's education needs.

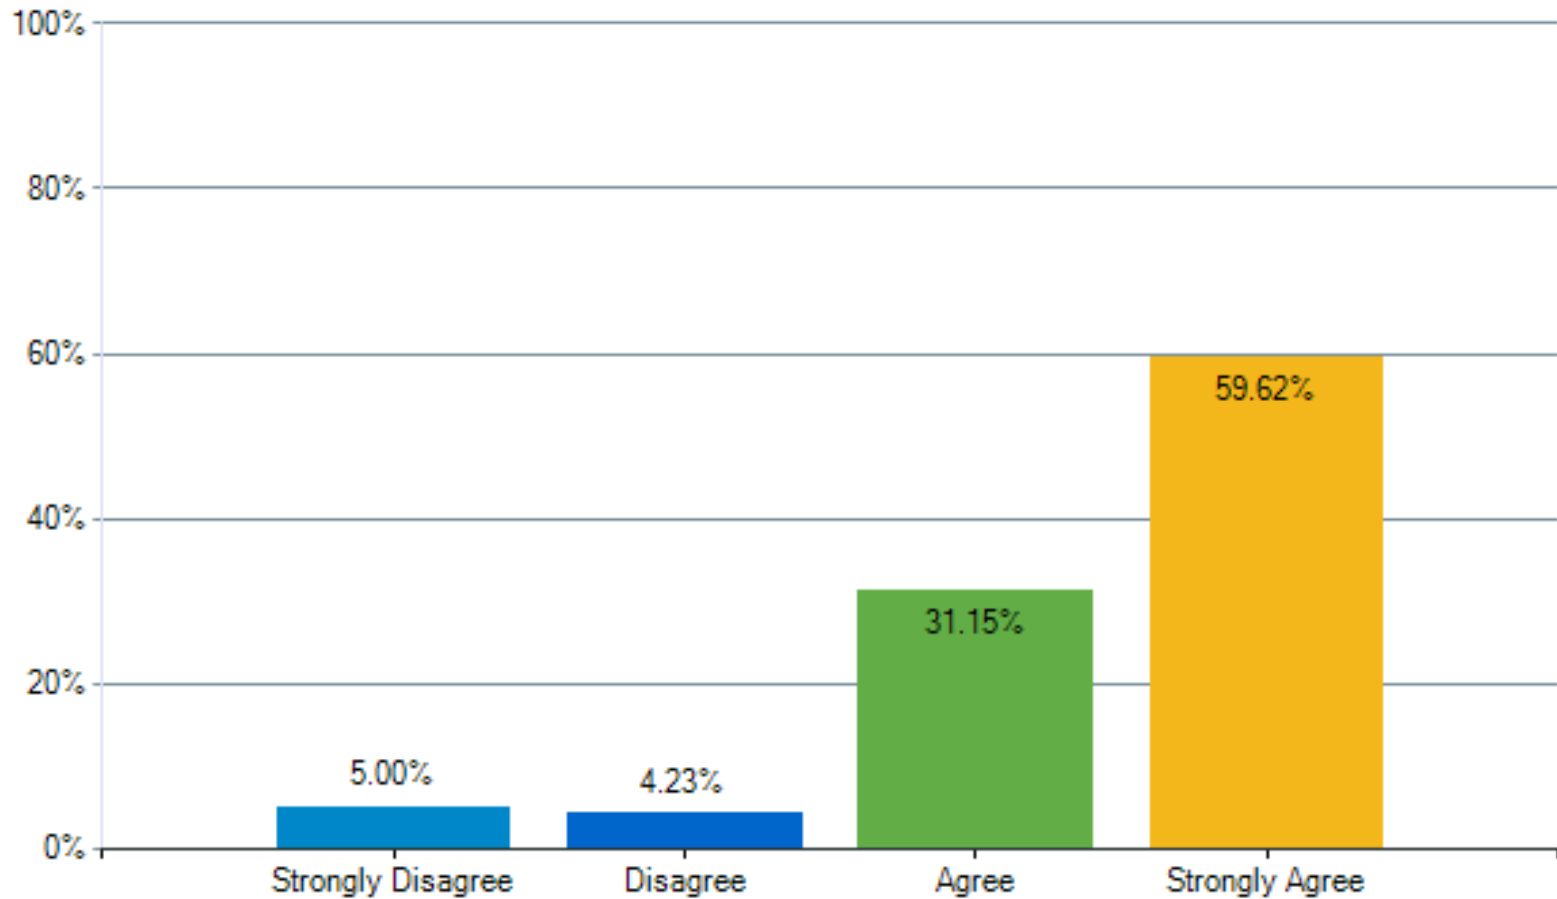

: A school district with strong schools is important to me.

: Increased funding to ensure quality education is important to me.

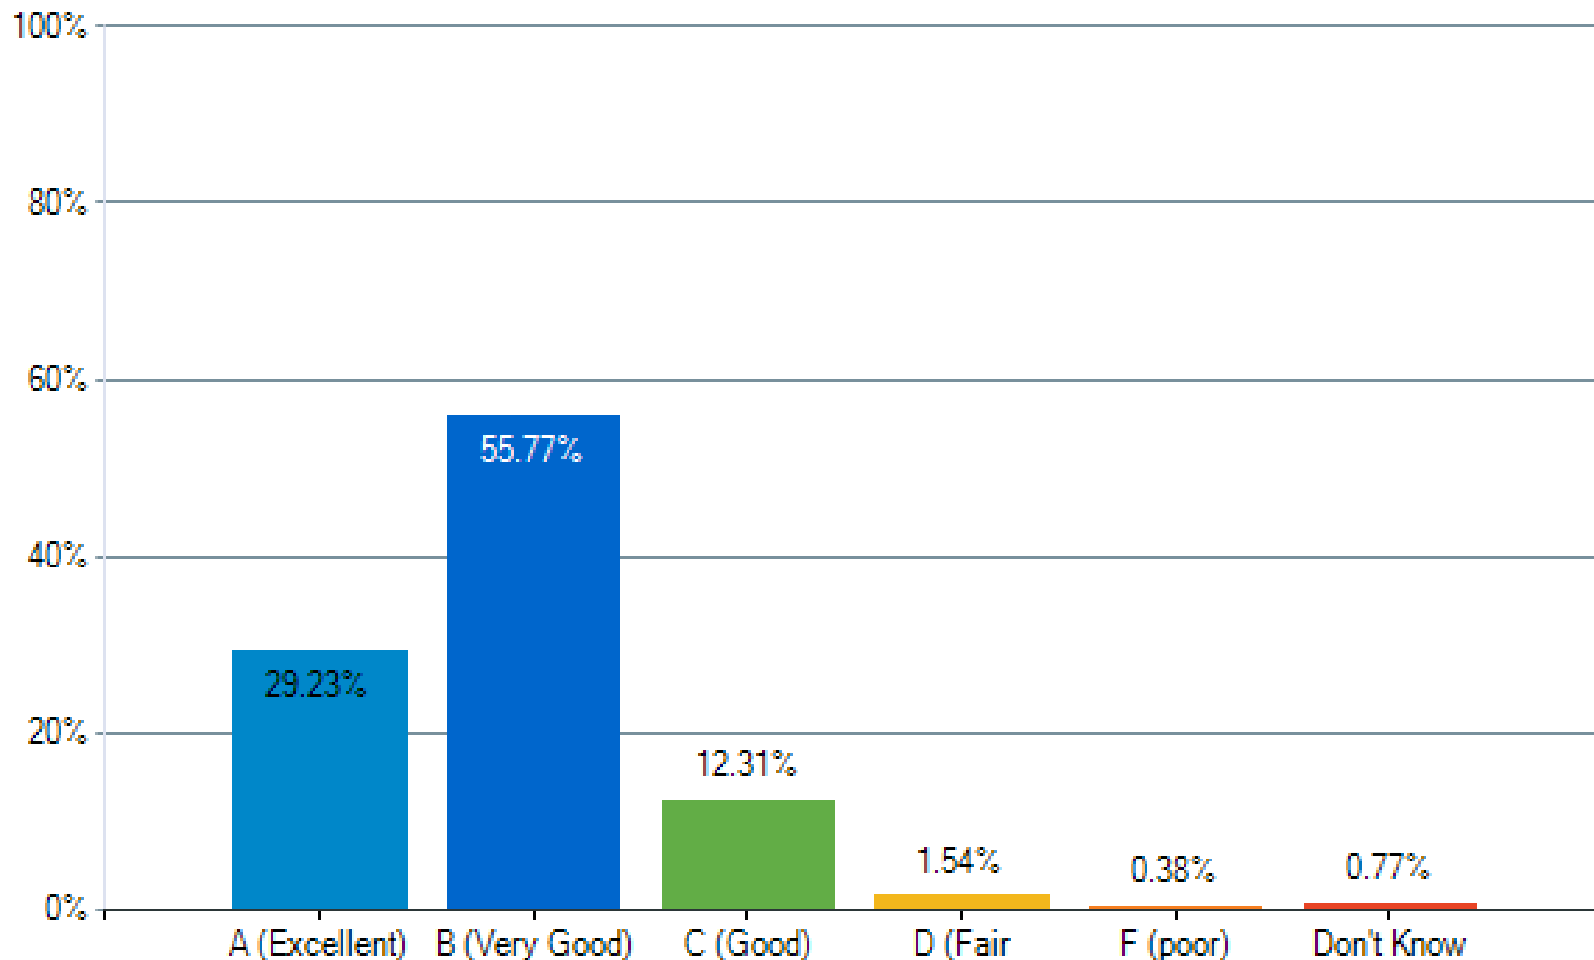

: I understand that property values depend on the reputation of our schools.

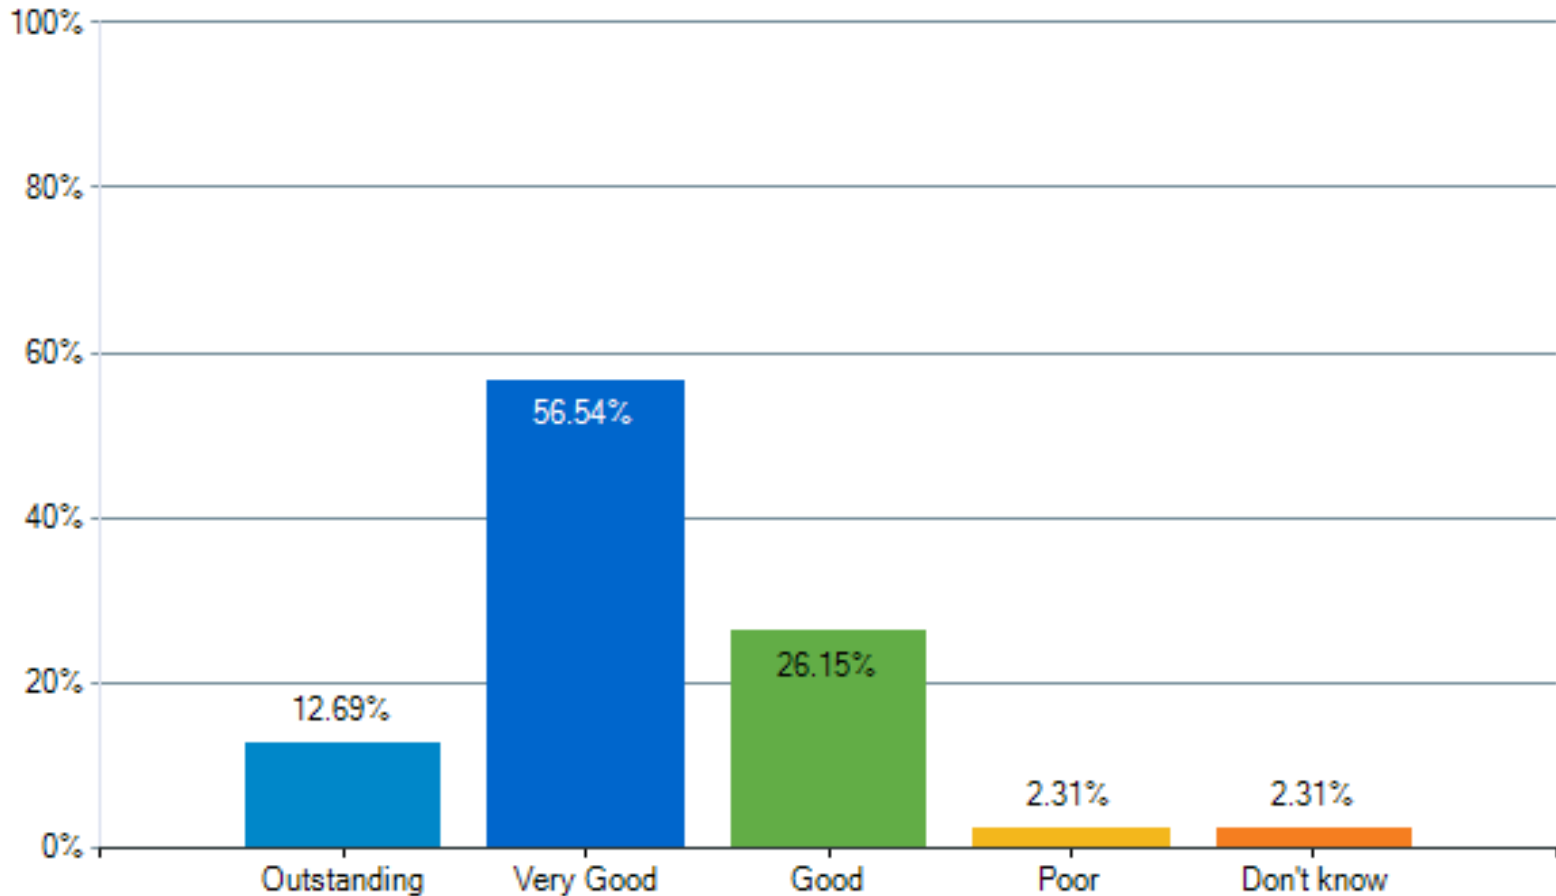

What grade would you give to the school district as a whole for how well we are educating our children?

(An "A" means excellent work, "C" is good work, and "F" is poor work.)

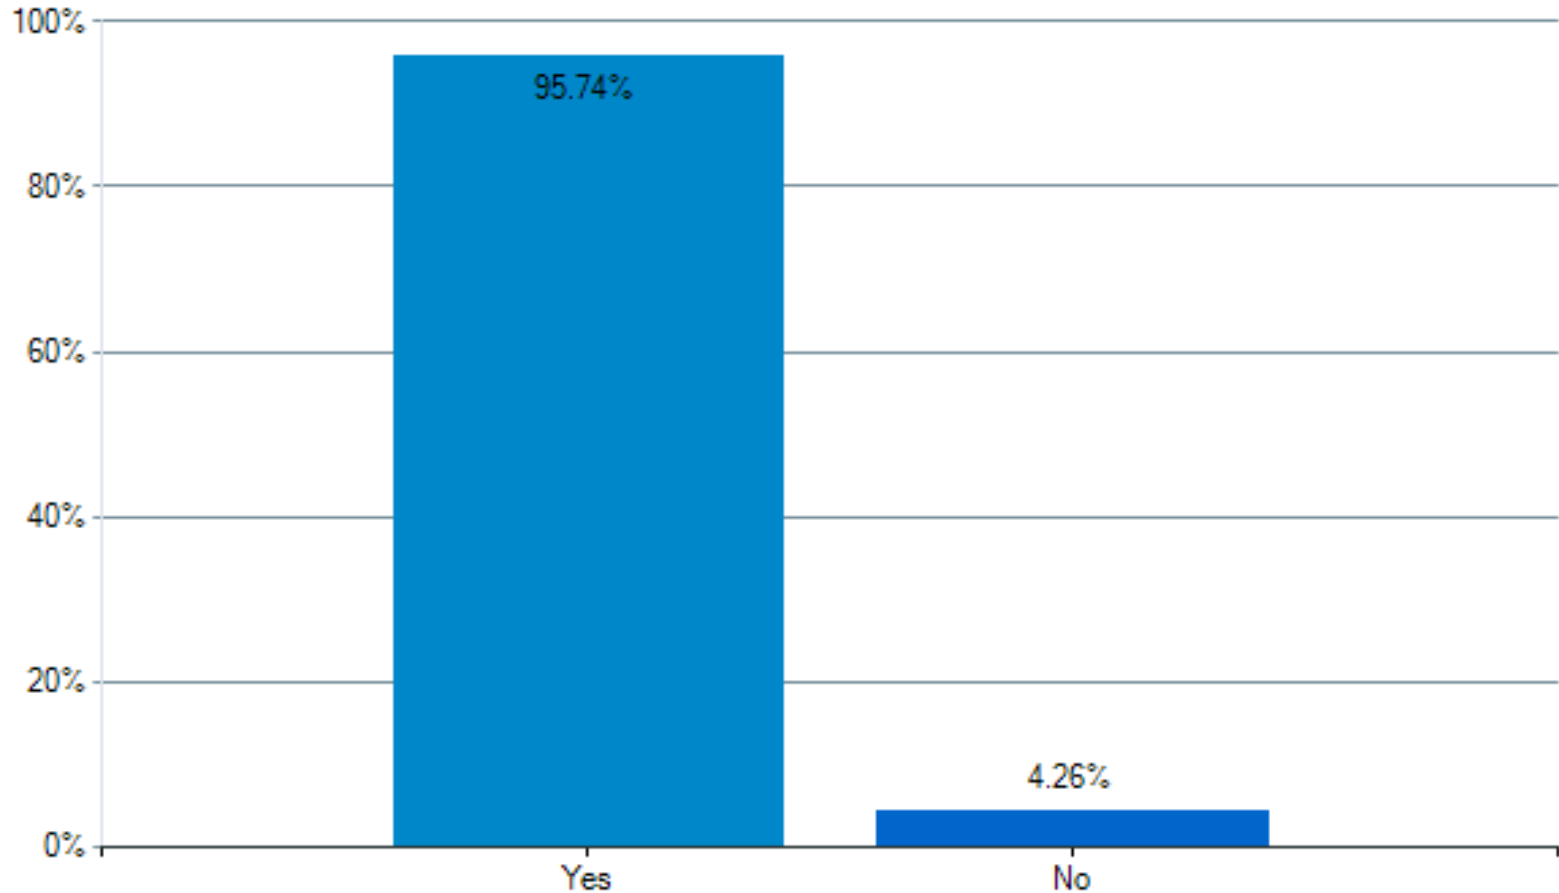

Oxford Community Schools has continually tried to uphold the following mission:
The mission of Oxford Community Schools is to provide an education that challenges all students to achieve their maximum potential in academics, arts, and athletics and prepares them to succeed in a global society.

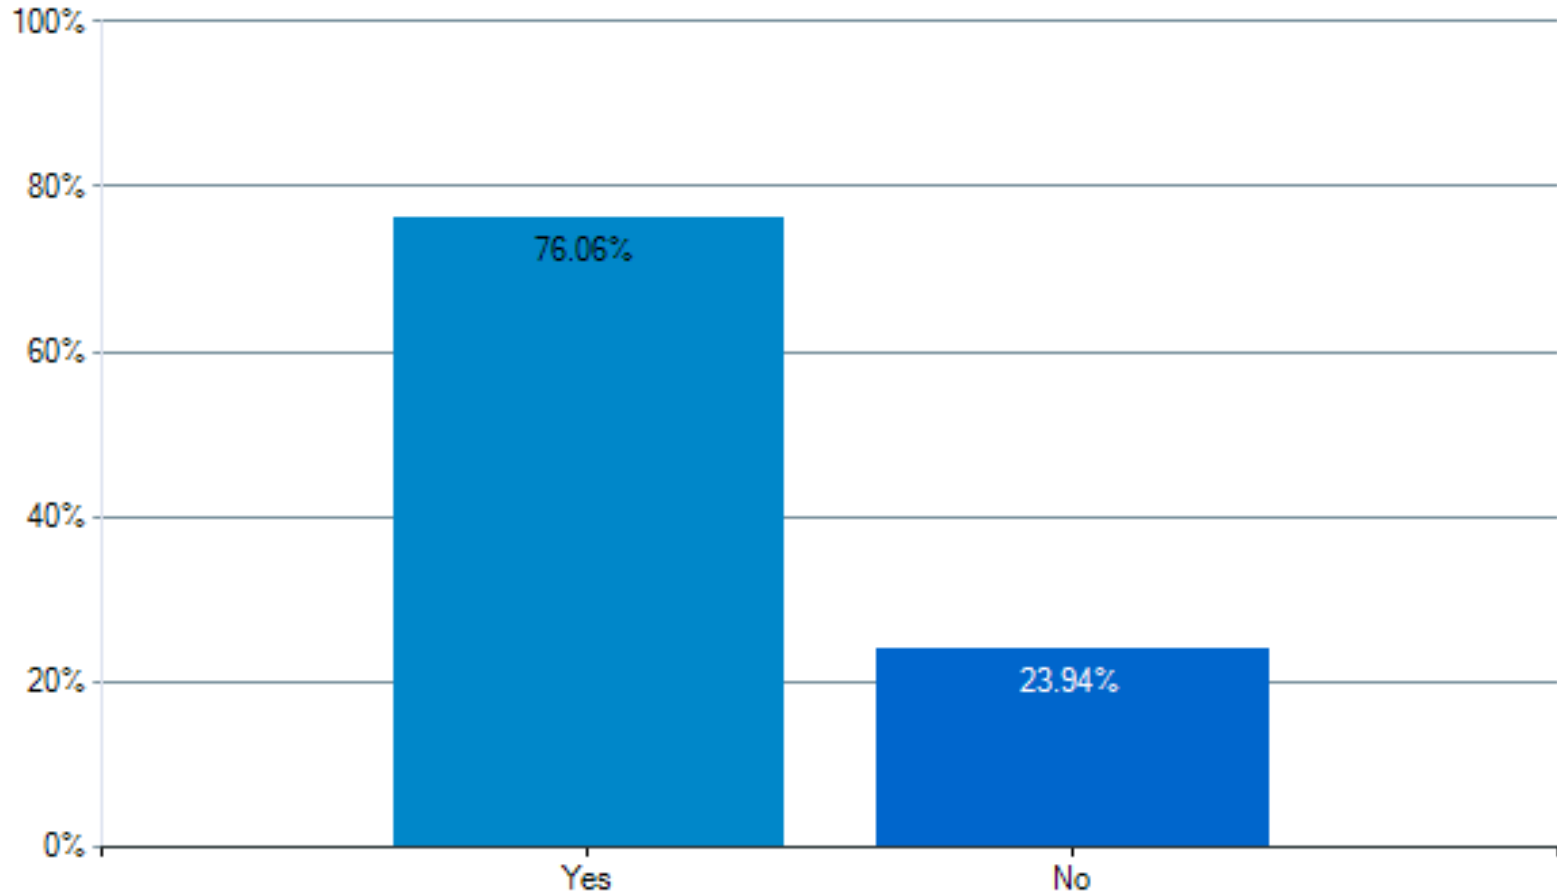

How would you rate the District's efforts to accomplish this mission in the current school year?

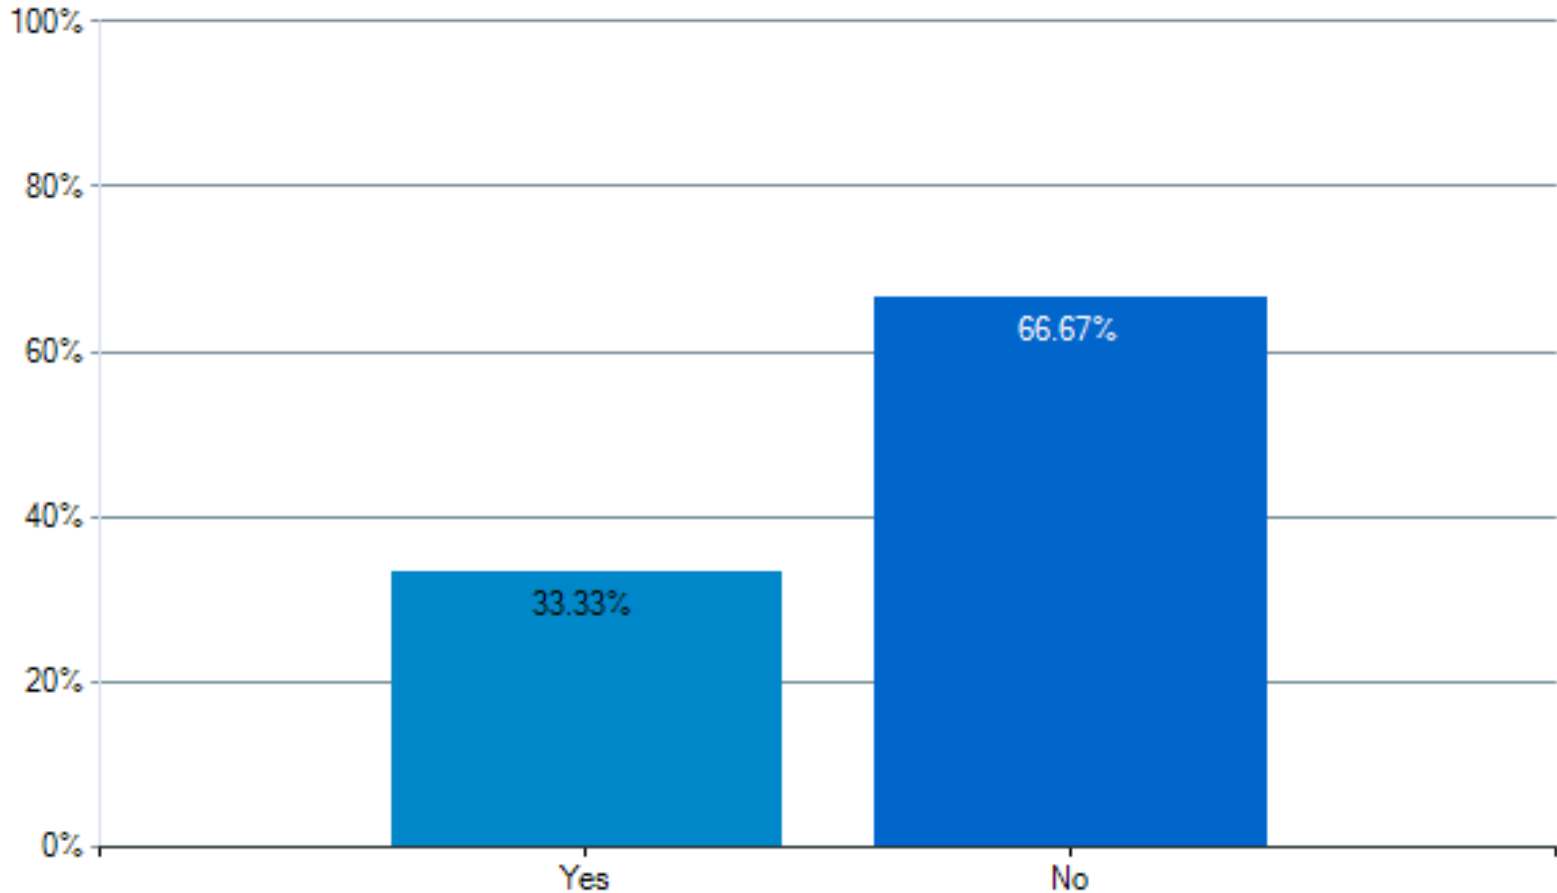

Should the District continue exploring partnerships with local colleges and universities to provide educational opportunities for our students?

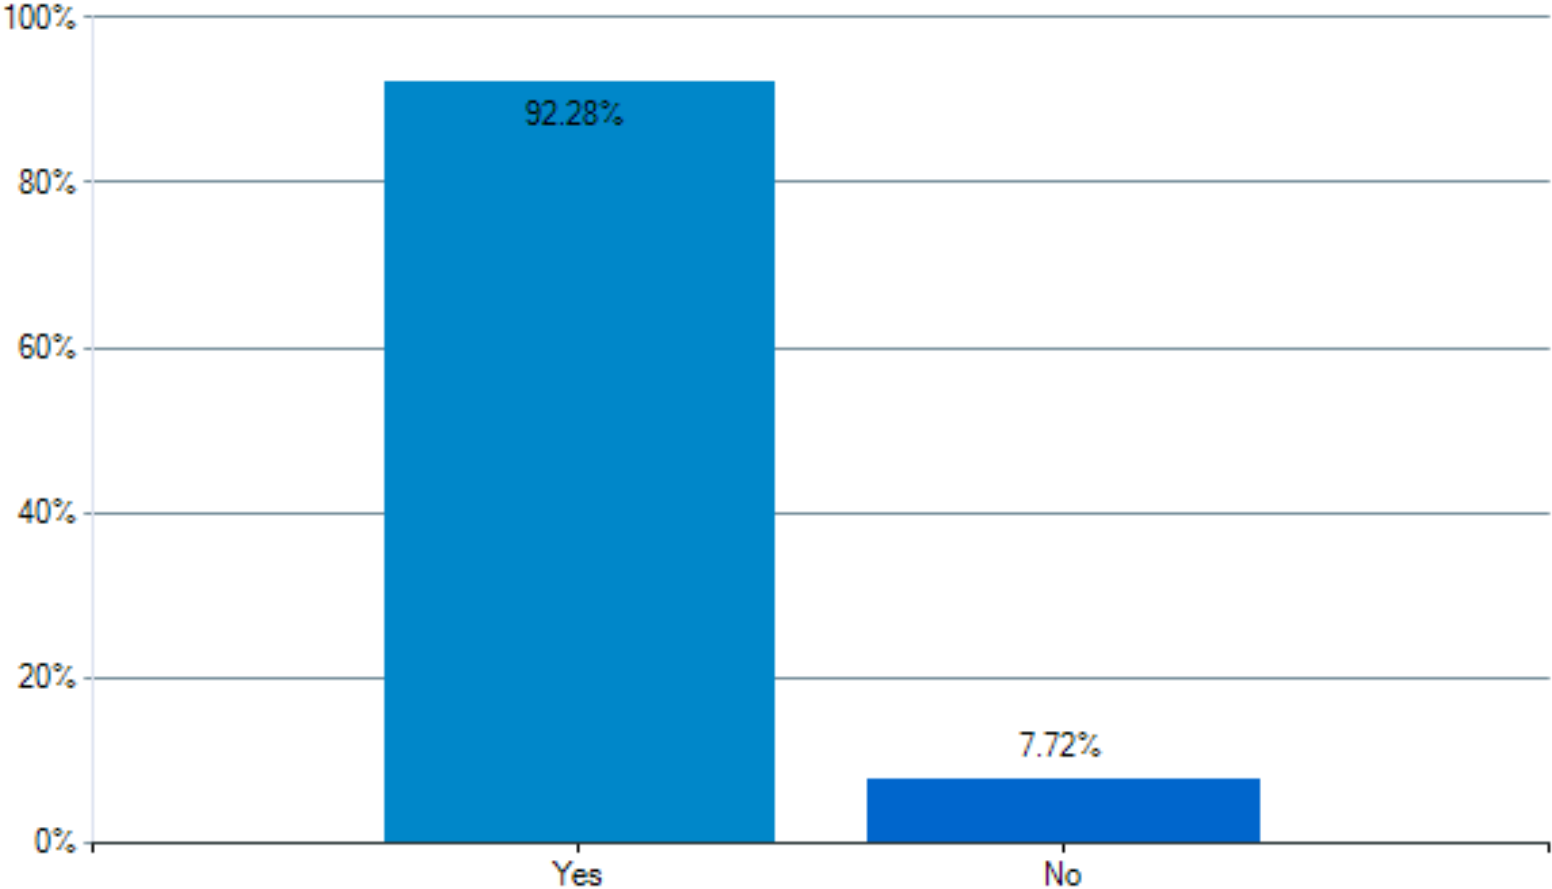

Do you believe it is beneficial for students to learn a second language in order to be competitive in the job market of the future?

Should the district explore ways to modify the teaching year to spread out (not increase) the school calendar to include the summer months?

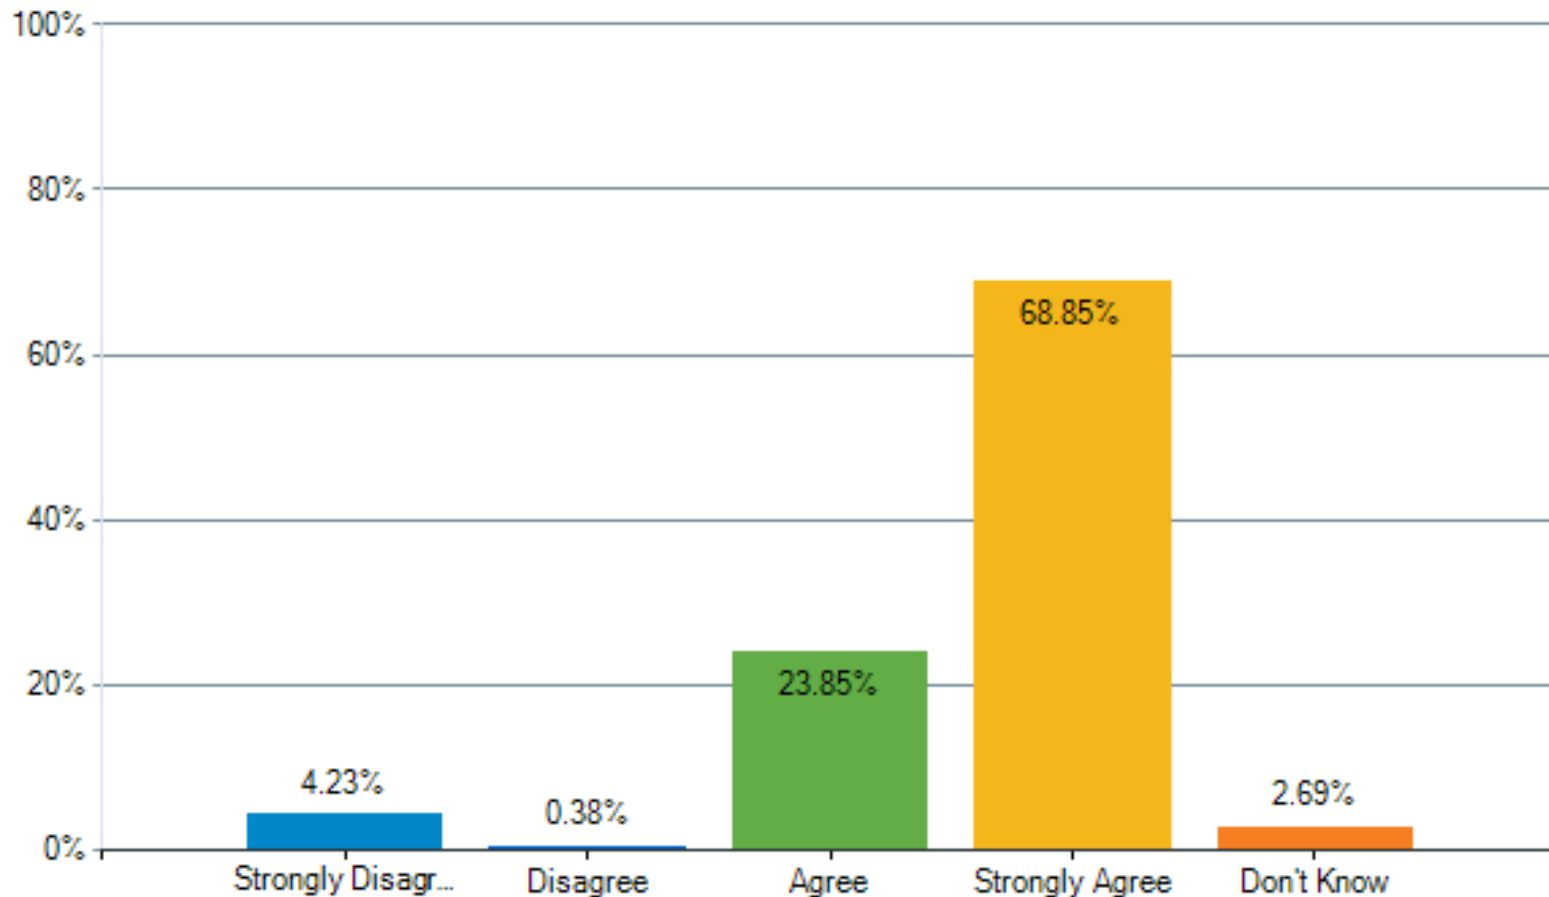

Should Oxford Community Schools strive to use technology as an integral component of delivering curriculum?

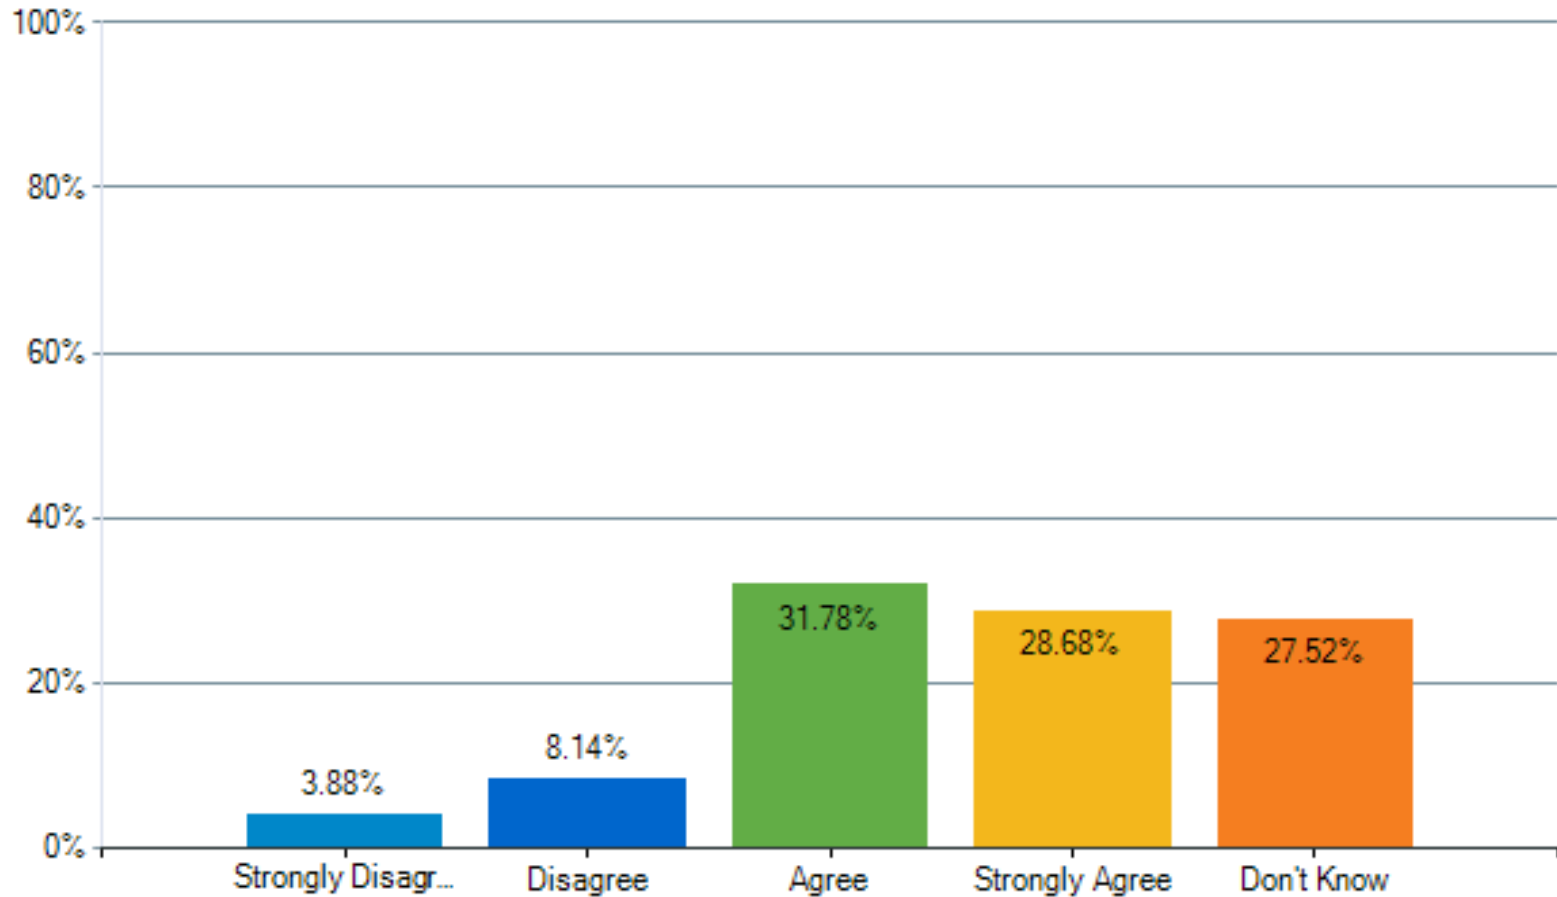

How strongly do you agree with the following statements?:

I am welcome to attend school activities.

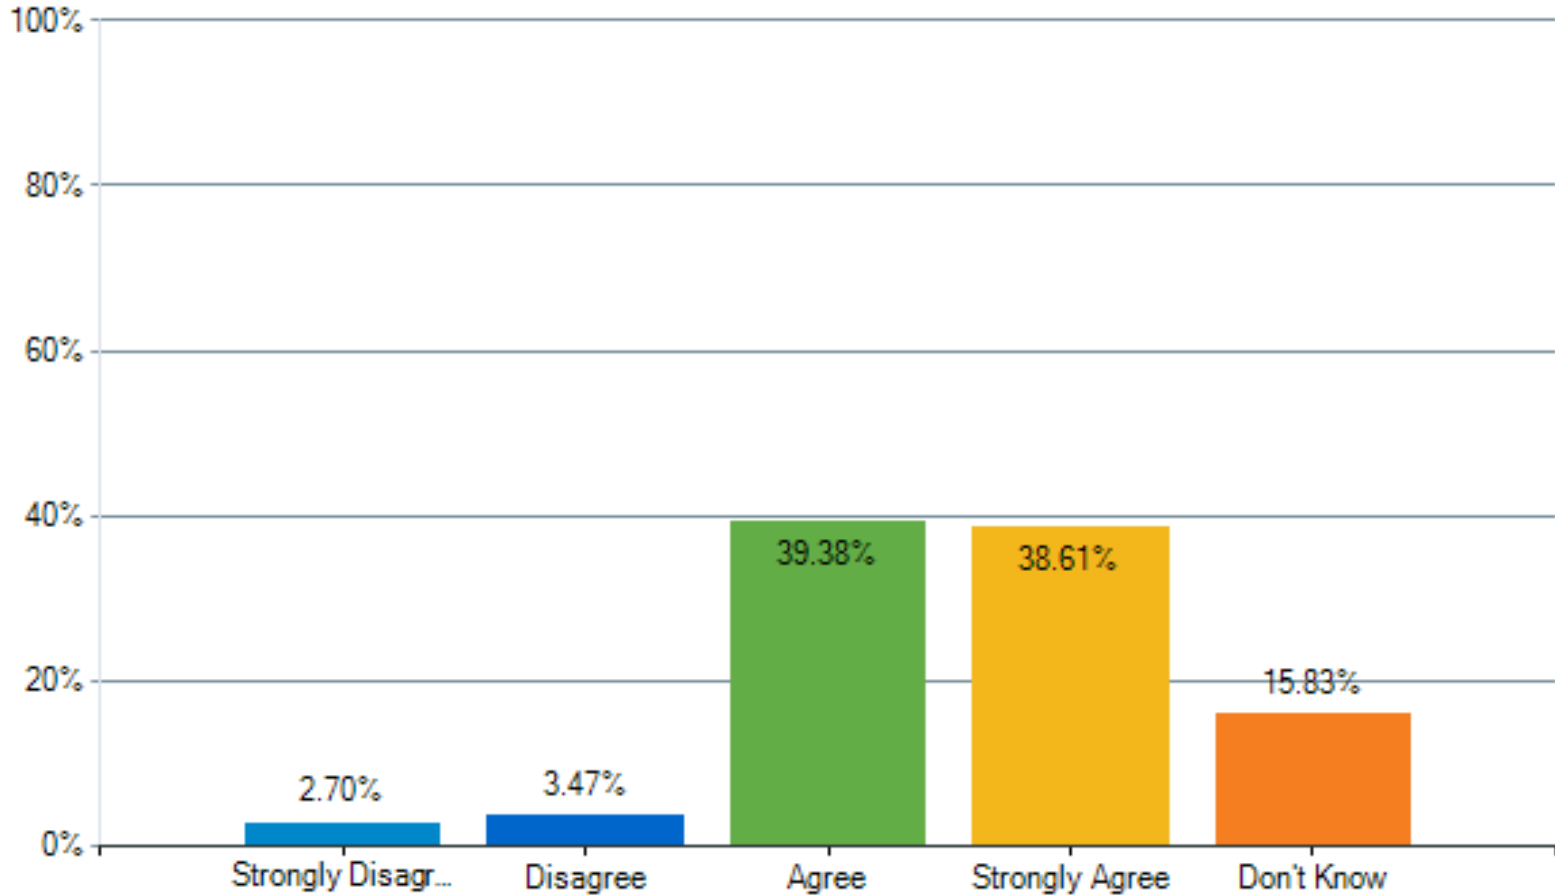

How strongly do you agree with the following statements?:

I am welcome to use the facilities (library, computers, gym, track, swimming pool) at a school near my home.

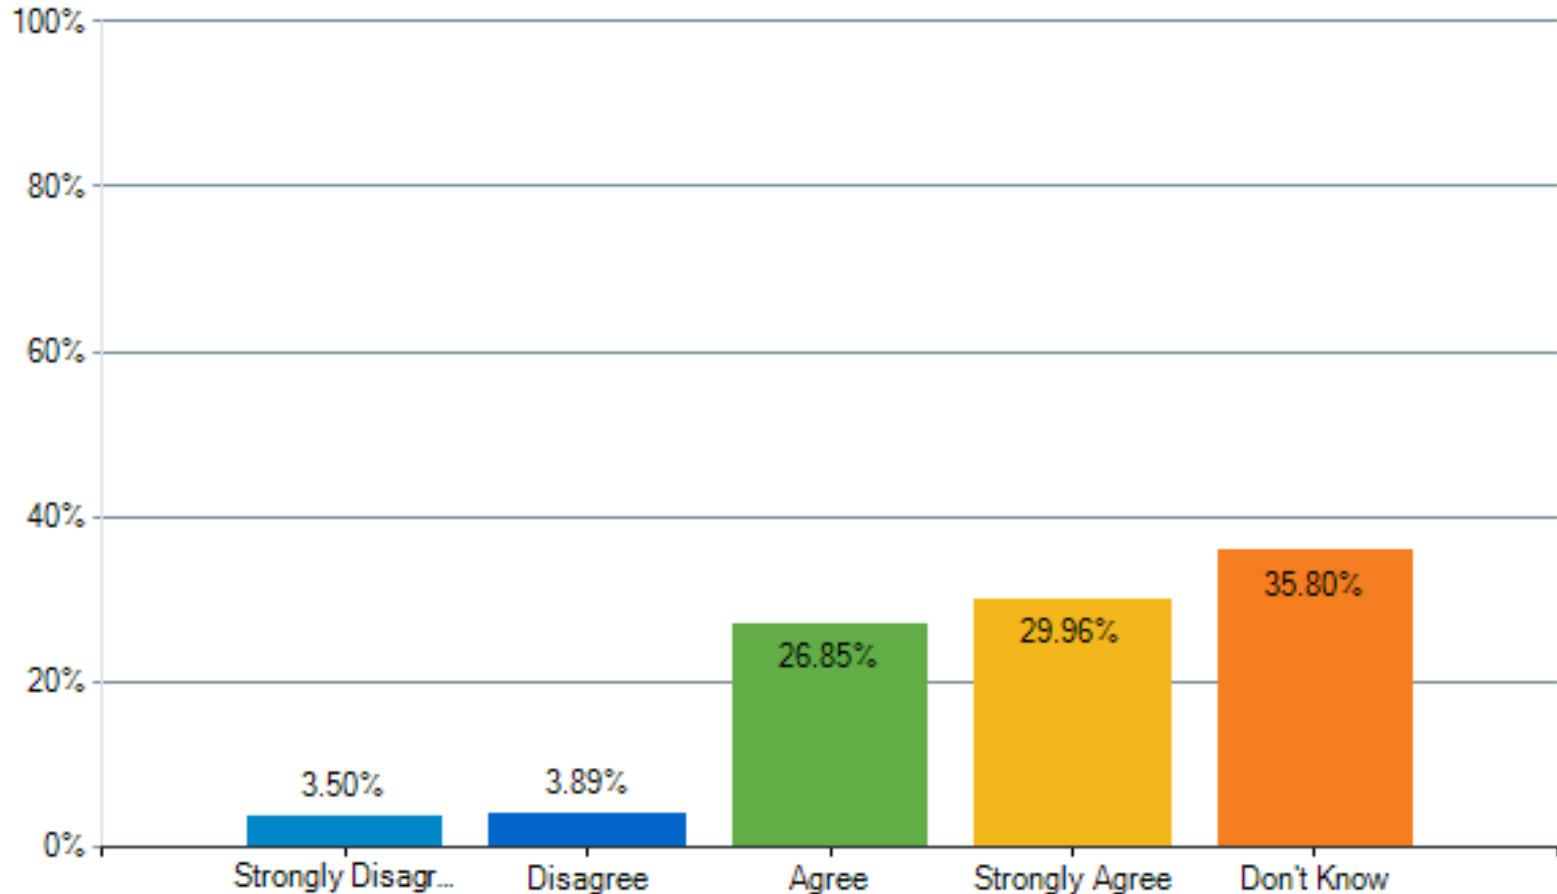

How strongly do you agree with the following statements?:

I can obtain information about services and activities at a school near my home.

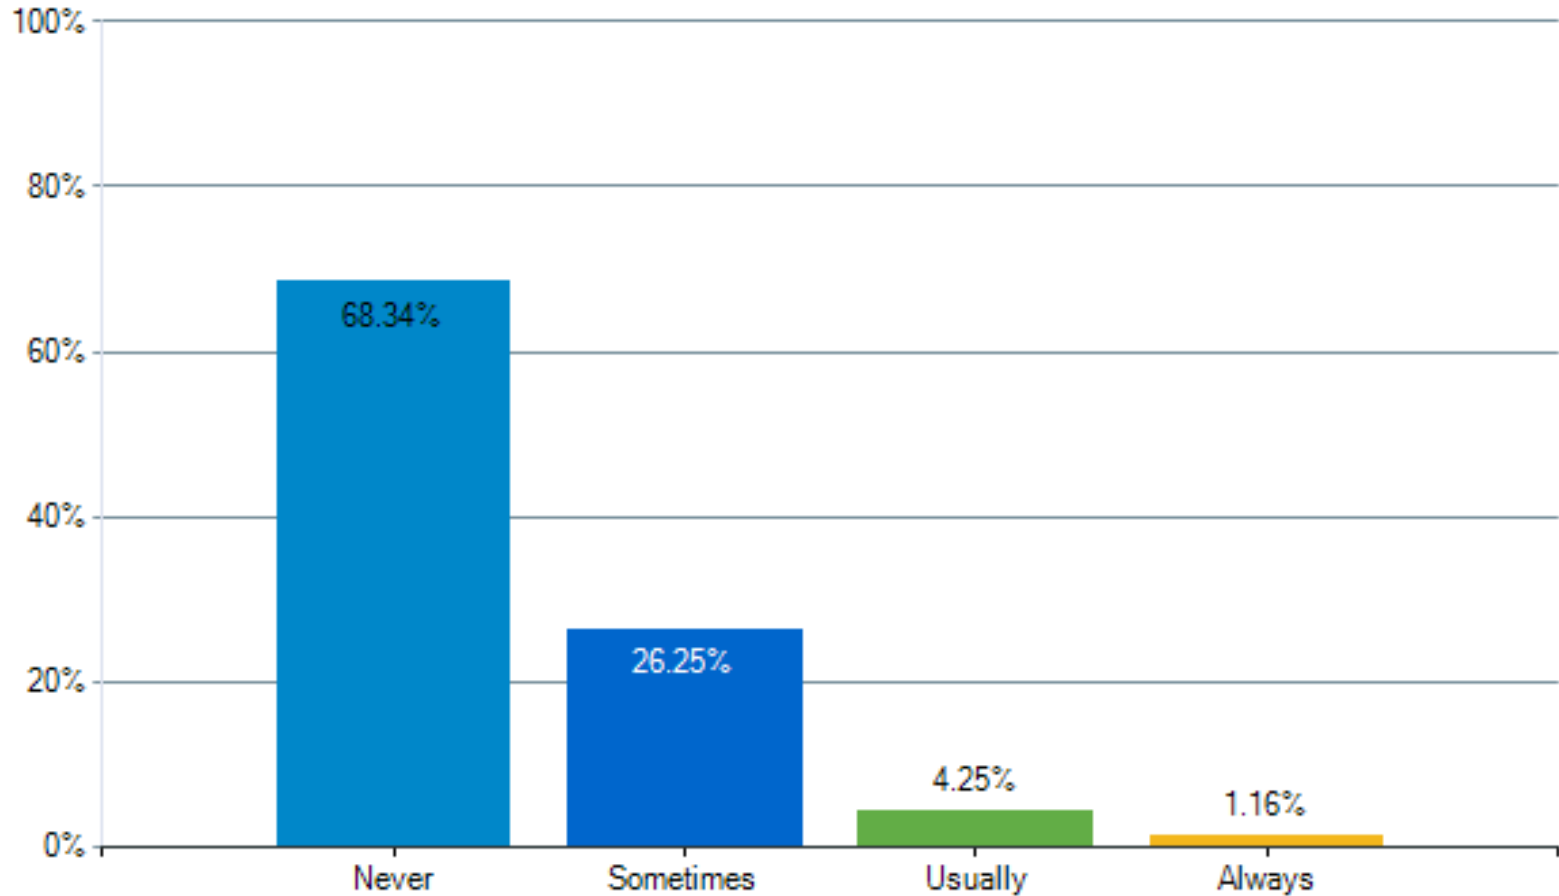

How strongly do you agree with the following statements?:

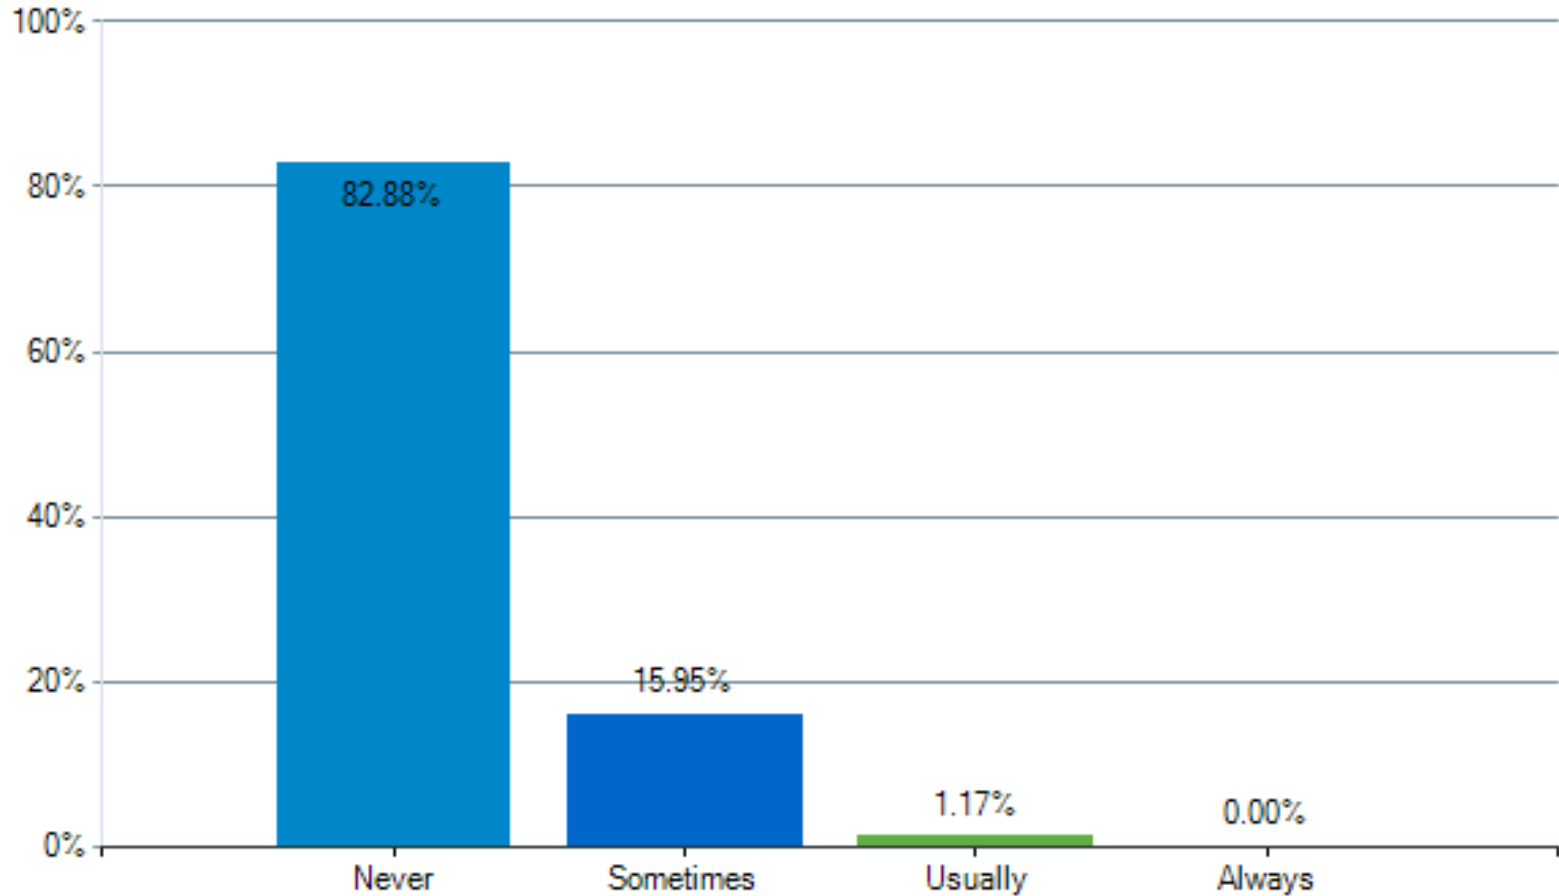

I feel welcomed when utilizing district buildings through Oxford Parks and Recreation.
