

# The Wildcat Café

Welcome to the 2016-17 school year. This year will certainly be an exciting year as we showcase more healthy meal choices in our menus. The school **Wellness Policy** is in place and we are serving breakfast and lunch that encourage healthier life styles. Reducing fat and eliminating trans fats from the menus will also help to maintain a healthy diet. We also have more whole grain breads and wraps to enhance our menus, as well as adding more fresh fruits and veggie selections. We will be serving up fun and nutrition at the same time. Please feel free to contact any of us with your ideas and comments, or visit us on the web site for additional nutrition information.

USDA is an equal opportunity provider and employer.
