<https://www.common sense.org/education/app/choiceworks>

[Choiceworks Review for Teachers | Common Sense Education](https://www.common sense.org/education/app/choiceworks)  
Choiceworks was designed to help kids learn about three life skills: schedules and task completion, waiting, and dealing with emotions. Kids explore these topics through simple ebooks (one for each topic) and "boards," which show a list of things that should happen during, for example, a nighttime routine.

[Todo Telling Time Review for Teachers | Common Sense Education](https://www.common sense.org/education/app/todo-telling-time)  
The Parents screen includes a link to supplemental resources aligned to Common Core State Standards, and the developer's blog has an article highlighting ways to use Todo Telling Time in the classroom. Teachers could use the app as a whole-class activity during circle time, sharing the start screen, which shows the time on both a digital and analog clock along with a calendar page of the day ...

<https://www.common sense.org/education/app/mindful-powers>

[Mindful Powers Review for Teachers | Common Sense Education](#)

Mindful Powers is a useful tool to supplement instruction about self-regulation. The youthful voice of the narrator makes it easy to relate to, and kids will be drawn to caring for a creature and helping it grow and learn.
