

International Baccalaureate

Primary Years Programme

Our goal is to nurture a balanced learner who is well equipped with not only knowledge, but the skills and confidence necessary to succeed in our rapidly changing world. To achieve this goal, the PYP Programme embeds five essential elements into the curriculum:

- Knowledge
- Key Concepts
- Approaches to Learning
- Action
- Agency

For more information about the PYP Programme, visit www.ibo.org.

SUZUKI STRINGS

The second grade students have the opportunity to receive Suzuki strings (violin, cello, or guitar) instruction. This course is offered to students outside of the school day (before or after school). Participants must pay the semi-annual fee. In addition, the instruments are available to students for rent or purchase.

CURRICULUM GUIDE

INFORMATION FOR PARENTS

This guide is intended as a brief overview. For more information about Oxford Schools' curriculum, including virtual course options available to all students, please visit our district website at: www.oxfordschools.org.

MATH

90 Minutes/Day- 5 Days/Week

Using the Common Core Standards to guide instruction, second grade mathematics emphasizes the balance between use of concrete manipulatives with computation skills. Both components are necessary, as concrete materials allow students to explore and develop ideas fundamental to the study of mathematics. Fact memorization, computation, and using paper and pencil are also critical at this level.
