

OXFORD COMMUNITY SCHOOLS

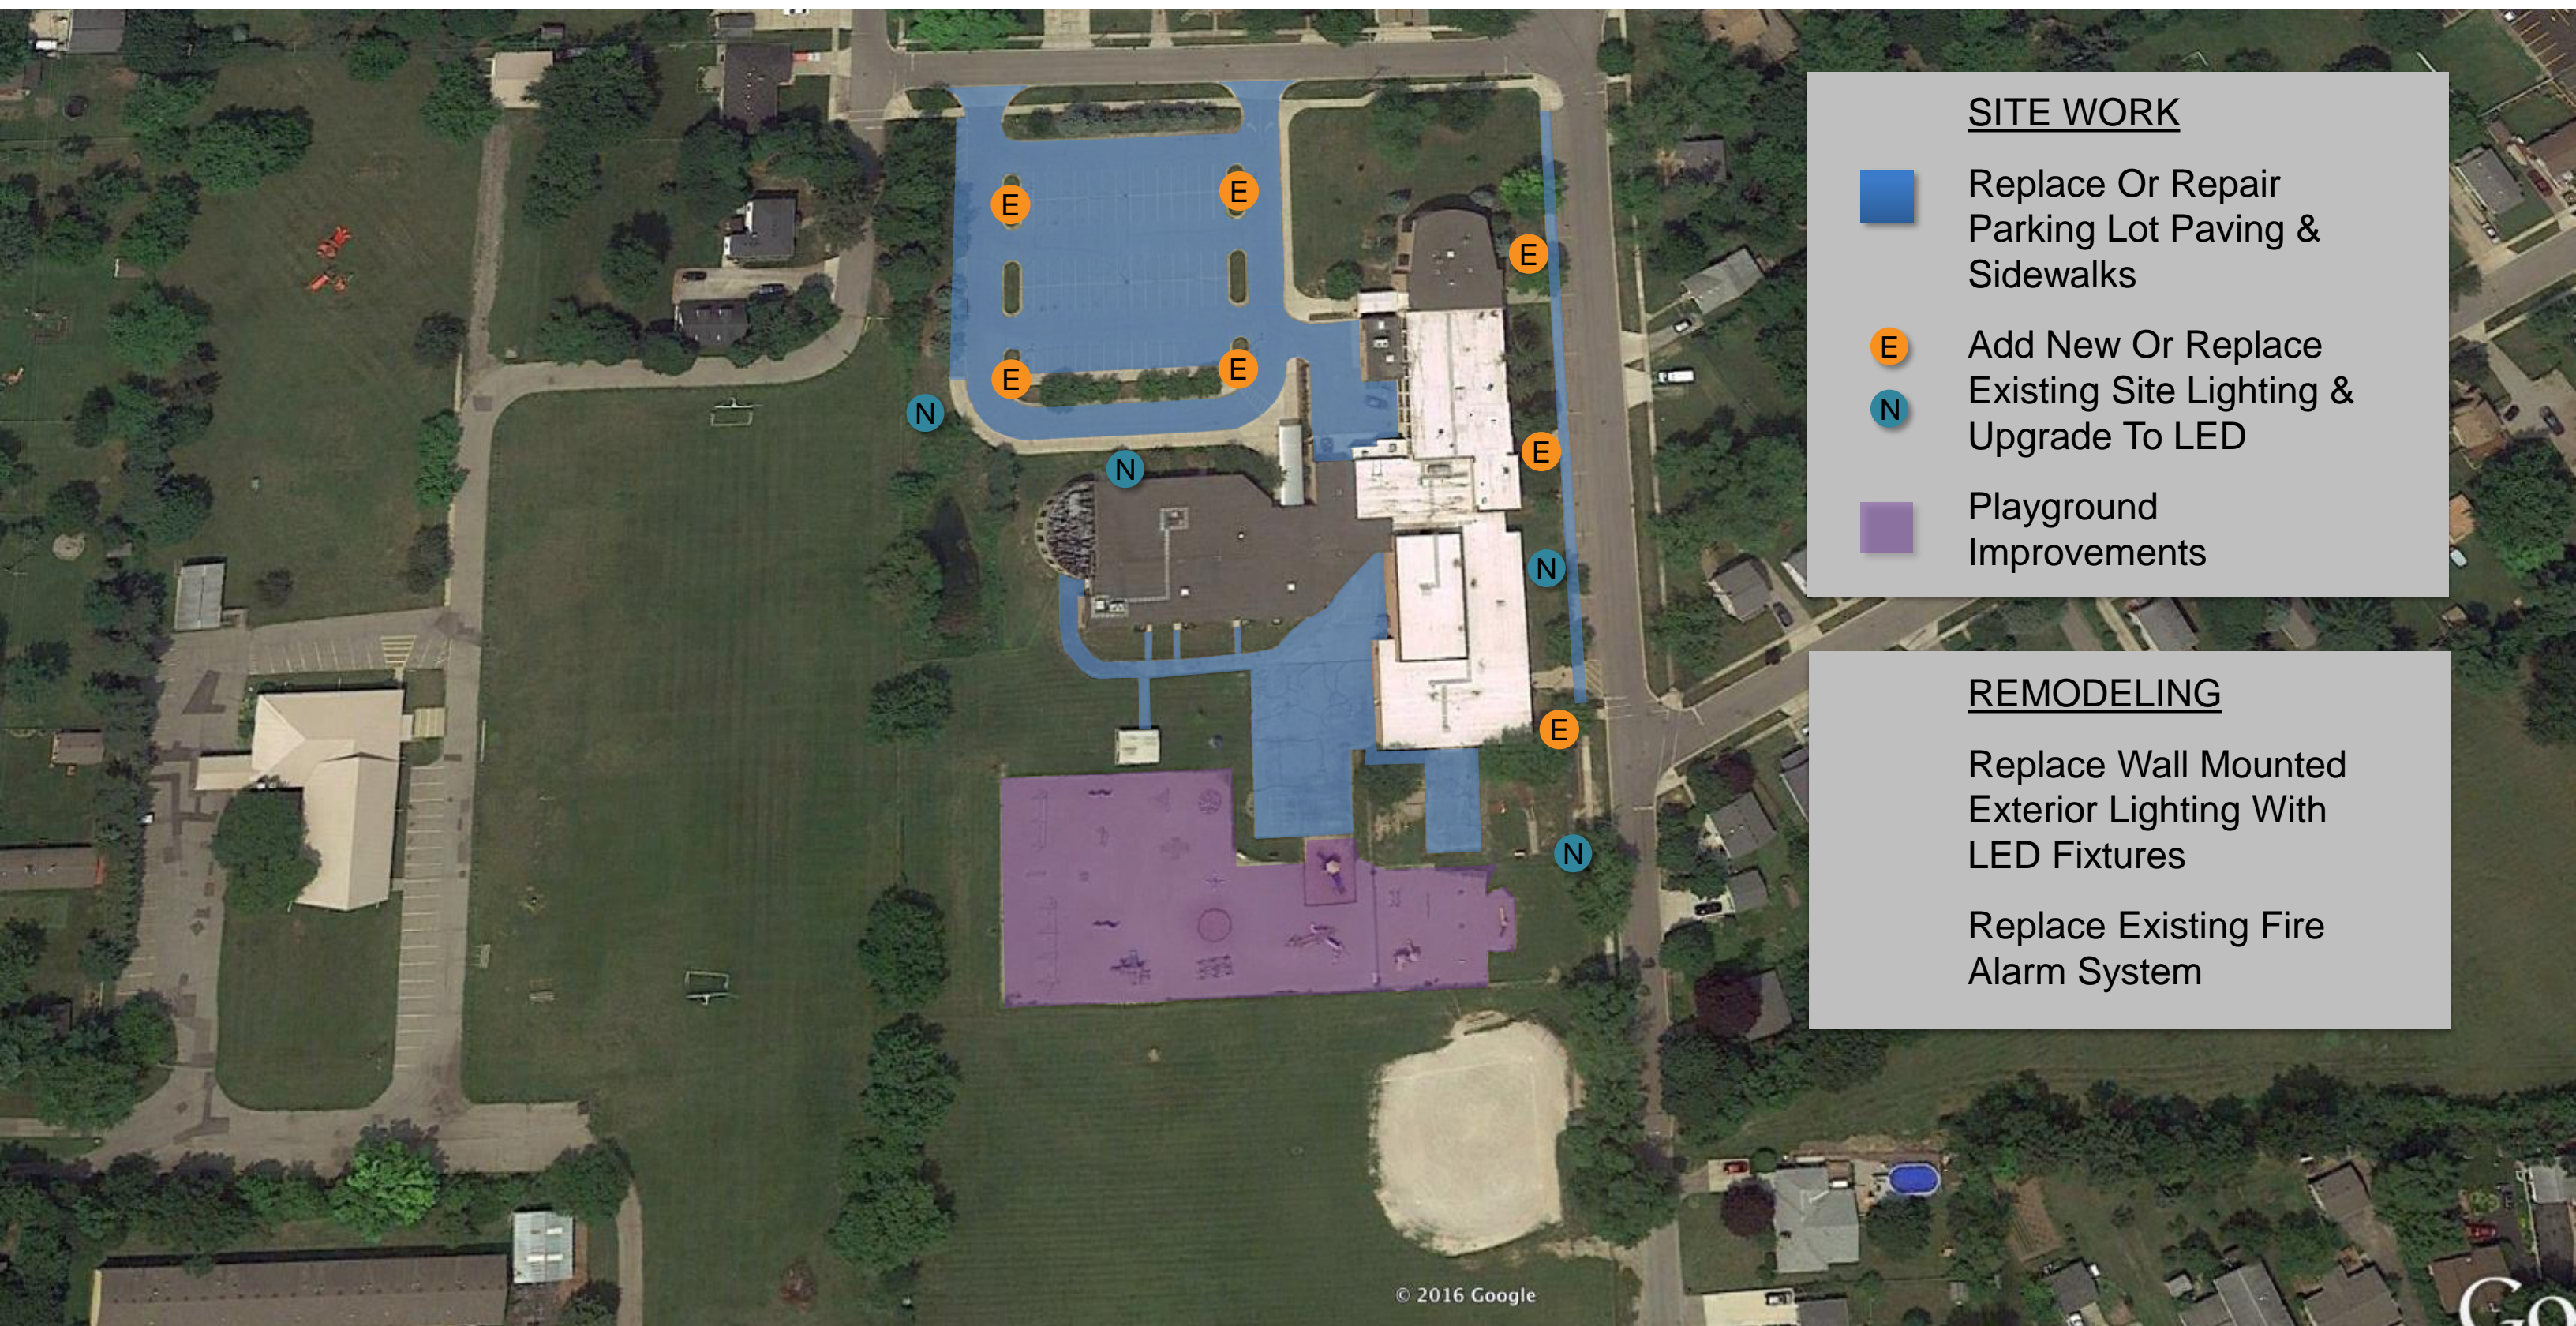

BOND PROGRAM 2017

Series 2 Scope
04.23.19

The second series of the 2017 Bond focuses on site work at selected Elementary Schools, HVAC infrastructure at the Middle School, corridor flooring and pool area improvements/replacements at the High School , and renovations at the Transportation Building.

The following slides highlight the scope of work identified at each of the District's buildings for the second series of the 2017 Bond.
